If you are currently enrolled at a U.S. school and do not plan to return to that school, you need to make sure that your current school transfers your SEVIS record to UC Berkeley. UC Berkeley cannot create your new I-20 or DS-2019 until you have completed the following steps:

1. Contact the International Student Advisor at your current U.S. institution.
2. Inform the Advisor that your SEVIS record should be released to “University of California, Berkeley.”  
   *Program Code: SFR214F00615000 for F-1 and P-1-00352 for J-1*
3. Ask the Advisor for the transfer release date entered in SEVIS.  
   *(The release date will likely be the last day of the term you are enrolled at your current institution.)*
