

J-1 Student Intern Evaluation

At a minimum, per Department of State regulations all programs require a concluding evaluation, and programs lasting longer than six months also require a midpoint evaluation. All required evaluations must be completed prior to the conclusion of the student internship program as reflected on the Form DS-2019 and the student intern and their UC Berkeley faculty sponsor/professor must sign and date the evaluation forms.

J-1 Student Intern Name:

Faculty Sponsor/Professor Name:

Department Name:

Is this the midpoint or final evaluation? Midpoint Evaluation Final Evaluation
