A background image of a university campus at dusk. In the center, there is a large, ornate archway with a clock face at the top. The archway is illuminated, and the path leads through it. On either side of the path are large, leafy trees. To the left, there is a stone wall with a decorative balustrade. The sky is a mix of purple and pink, indicating sunset or sunrise. The overall atmosphere is serene and academic.

Store emergency numbers in
your mobile phone:

*Off-campus emergencies: **dial 911***

*On-campus from a cell phone:
dial 510-642-3333 (UC Police).*

This is faster than 911 while on campus.

Staying smart

Protect yourself from theft, scams and fraud.

- *Lock your bike with a U-lock!*
- *Never leave personal items, such as backpacks, laptops or electronic devices unattended or visible in your car.*

Don't give out your personal information over the phone.

Be wary of callers that make threats of legal action unless you pay a fee or fine immediately.

Visit an apartment or house before you sign the lease or pay the deposit fee.

Read through leases and other legally binding documents before signing.

A person wearing a plaid shirt and khaki shorts is standing next to a black and white bicycle. The bicycle has a white helmet hanging from the handlebars. The scene is outdoors on a paved path, with a large, multi-story building in the background. The text is overlaid on a semi-transparent white box.

*Contact a BIO advisor if you suspect you
are a victim of a scam or fraud.*
