An OPT application to USCIS is your own personal application. You alone are responsible for timely filing with full documentation, understanding F-1 rules regarding OPT, and properly maintaining F-1 status.

What is OPT?

Optional Practical Training is an F-1 student employment benefit that allows for off campus work authorization in a student’s major field of study.

Students must be in full-time F-1 status for at least one academic year.*

* Some students who change visa status to F-1 and who have been continuously enrolled in a full-time degree program for at least 1 academic year may qualify for OPT prior to 1 year in F-1 status.
Are you eligible for OPT?

Pre-Completion OPT
For most students, Curricular Practical Training (CPT) is a better option. It allows for off-campus work authorization in your field of study without using any of the 12 months of OPT time. See our web site for a detailed description of Curricular Practical Training.

You do NOT need to have a job offer to apply for OPT. The authorization is based on your program completion, not a specific employer. See the OPT FAQ webpage for more commonly asked questions.

Post-Completion OPT
Have you been continuously in a valid student status for one academic year?

At UC Berkeley, one academic year means enrollment for consecutive:
• Fall – Spring semesters
• Spring – Fall semesters
• Spring – Summer (enrollment through August, not Summer A or E only) semesters
• Summer (minimum of 12 units) – Fall semesters

Will you be completing your program of study at UC Berkeley in the next 90 days?

The application for OPT cannot be submitted more than 90 days before your program completion date.
Are you eligible for OPT?

CPT Usage

- If you have used 1 year or more of full-time Curricular Practical Training (CPT), during your current degree level, then you do not qualify for OPT.
- Part-time CPT does not count towards OPT disqualification.
- Note that heavy CPT usage either part-time or full-time can cause your OPT application to be subject to additional scrutiny. Be prepared to provide evidence of all prior CPT I-20s, as well as the academic work related to your CPT.
Types of Qualifying Employment

During your 12 month OPT period, OPT employment must be a minimum of 20 hours per week in a job that is directly related to your degree program. The burden of proof is on the student to demonstrate the relationship. The types of employment allowed during the initial 12-month period of OPT include:

- Paid employment
- Multiple employers
- Work for hire (commonly referred to as 1099 employment)
- Self-employed business owner
- Employment through an agency
- Unpaid / Volunteer employment

Employment must be DIRECTLY RELATED to your Major field of study.

See the OPT Qualifying Employment web page for a detailed explanation of each category.
Application Process Overview

1. Request an OPT I-20
The I-20 will be ready for pickup 3 business days after submitting the OPT request form and Post-Completion Services Fee payment to Berkeley International Office.

2. Prepare and mail your application materials - APPLY EARLY!
Allow approximately 1 week to gather and organize the required documents. After USCIS has received your application, allow approximately 3-5 months for processing. (The observed average processing is 90-120 days, but processing can take longer in some cases.) See current USCIS processing times for Form “I-765” for “Potomac Service Center” here: https://egov.uscis.gov/processing-times/

Can I do anything about the long USCIS processing time?
There is nothing you can do about the USCIS processing time, other than to apply as early as possible and be honest with your employer about your possible start date! See USCIS Issues & Tracking for how to report a case processing longer than the current USCIS processing time.
Step 1: Request your OPT I-20

Complete the **OPT Request Form** [pdf]:

- Confirm your expected program completion date.
- On Campus Employment- All current on-campus employment authorization MUST END on or before your Program Completion Date. You can only begin work again, directly related to your field of study, after your OPT EAD approved start date.
- Get the required signature from your academic advisor.
- Choose your OPT start date.
- Pay/prepare your $100 Post-Completion Services Fee to Berkeley International Office via credit/debit card, check, or money order (no cash). Attach proof of payment to OPT Request form.
  - **Credit/Debit Card**: Pay online. Find link on our OPT webpage. You must print your receipt/proof of payment and attach it to your OPT I-20 Request form.
  - **Check or Money Order**: Make check or money order payable to “UC Regents” and write your Student ID Number in the notes/memo section; attach your check or money order to the OPT I-20 Request form.

**OPT Requests without proof of payment will not be accepted**
Choose your OPT start & end date

• Your OPT start date is the date that your 12 months of work authorization begins.

• Your OPT start date must be within the 60-day grace period after the program completion date.

• The end date will usually be 1 year from your start date (i.e. a July 2 start date will have a July 1 end date.)

• DON’T WAIT until you get a job offer to apply for OPT or select your dates. Estimate when you would like to be available to work, and choose that start date. If you wait for an offer, you may not be able to apply for OPT in time.

• On Campus Employment- All current on-campus employment MUST END on or before your Program Completion Date. You can only begin work again, directly related to your field of study, after your OPT EAD approved start date.

• The requested start & end dates will be noted on page 2 of the new OPT I-20.

NOTE: Once USCIS receives the OPT application, it is not possible to change the requested start and end dates.

NOTE: Once USCIS receives the OPT application, it is not possible to change the requested start and end dates.
Obtain Academic Recommendation and signature

Undergraduates:

- Obtain the signature from a College Advisor, (i.e. College of Letters and Science) or Department Advisor.
- Expected completion/graduation = The last day of the semester in which program requirements are completed.

Graduates:

- Obtain the signature from a Faculty Advisor or Graduate Student Affairs Officer (GSAO).
- Expected completion = The last day of the semester in which program requirements are completed, OR The date the thesis or dissertation is filed with the Graduate Division.

Speak with a BIO advisor if you have a job offer beginning before the last day of the semester. Graduate students who only have a dissertation/thesis remaining may be eligible to begin their post-completion OPT before filing.
To qualify for a Summer I-20 completion date, students must:

- Have a final course requirement to be completed in summer.
- Be enrolled full time during Summer Session or receive Reduced Course Load approval from BIO for final term.
- Use the end date of your specific Summer Session as your program completion date (i.e. Summer Session A end date), OR
- Use the general Summer Session end date (i.e. last date of Summer Session E).
- If you have only been enrolled for 1 previous semester (Spring) and are completing in your second semester-Summer, you must be enrolled through August, the end of the Summer term. You cannot meet OPT eligibility if only enrolling in Summer Session A or E alone.

Note: If summer is your final semester, any on-campus employment or Curricular Practical Training is limited to 20 hours per week.

Program Completion & Employment

• Your I-20 will be shortened to reflect your Program Completion date.

• ALL CURRENT EMPLOYMENT must STOP on or before your Program Completion date- this includes on or off-campus employment.

• After your program Completion Date, you may only work during the dates listed on your approved OPT EAD card. Working before or after the EAD card dates is a serious violation of F-1 status.

• Think carefully about your employment needs when choosing your OPT start date.

On Feb. 19th, 2019, Sue mails her application for OPT to the USCIS. She is completing her program on May 15th and chooses July 1st as the OPT start date because she plans to be available to start work on that day. She Receives the EAD on June 1. Her employer is pleased to see proof of the work permission early even though she cannot start working until July 1st, as noted on the EAD. Sue decides to go home for one month to celebrate her program completion and will return using her OPT travel documents.
George is busy with his final semester. He waits to find out his job offer start date, instead of applying for OPT early with an estimated start date. In May, he receives a job offer with a start date of July 10th. He requests July 10th as his start date, and submits his OPT application to USCIS on May 10th. On July 10th, George still hasn't received his EAD, so he can't work. George receives his EAD on Sept 1 and it expires the following year on July 14th. George has lost 1 month of his 12 month OPT because his application was approved after the latest available OPT start date. OPT EAD cards can’t be backdated, but the OPT has a maximum end date no more than 14 months from program completion.

Passport Photo Requirements

The photos required to use for the OPT application must meet the specifications of U.S. style passport photos. To see a full description of these specifications, go to the U.S. Department of State website.

• Submit 2 identical color passport photos taken within 30 days of filing your application. The photos must have a white to off-white background, be printed on thin paper with a glossy finish, and be unmounted and unretouched. The passport-style photos must be 2” by 2”. You must remove your glasses and your head must be bare unless you are wearing headwear as required by a religious order of which you are a member.

• Using pencil or felt tip (soft) pen, lightly print your name and I-94 number on the back of the photo. Do not damage the photo surface by pressing hard while writing.

Professional Photography

USCIS has been examining passport photos more strictly. BIO recommends students have their photos taken professionally. Recently, students have been visiting the following locations to obtain their photos.

Metro Publishing
2440 Bancroft Way
Berkeley, CA 94704
http://www.yelp.com/biz/metro-publishing-berkeley

Foto Shop
131 Berkeley Sq
Berkeley, CA 94704
http://www.yelp.com/biz/foto-shop-berkeley
Gather the required documentation

Check, Money Order, or Credit Card:

- **USCIS Payment Methods**: Check/Money Order or Credit Card Payment for $410.
- **Check/Money Order** should be made payable to “U.S. Department of Homeland Security” with SEVIS number in the memo line. Money orders can be purchased at banks, post office, and some local grocery stores. Make sure a name and address are printed on the check. If the address has changed, that is fine.
  - Do not use “temporary checks” often issued by the bank when opening a new account. These checks have no name or address in the upper left hand corner.
- **For Credit Card** payment, submit form **G-1450**, authorized payment amount $410. You may only use a credit card account with a U.S. billing address—no foreign billing address is allowed. You can use cards with Visa, MasterCard, American Express, and Discover. See [Pay Your USCIS Fees with a Credit Card](#).
- **MOST OPT DENIALS ARE DUE TO BAD PAYMENTS! IF YOU USE A CHECK OR CREDIT CARD MAKE SURE YOU MAINTAIN SUFFICIENT FUNDS IN THE ACCOUNT.**

Money orders and cashier checks should include the same information as a personal check.

If you receive a phone call from a person claiming to work for USCIS or any other government agency, do not provide your personal information to them. Note the person’s name, phone number, and email address, and contact a BIO advisor before responding.

You should remove the auto filled “Don’t forget to sign!”

TRANSFER & READMITTED STUDENTS

If you are a student who has not been continuously enrolled at UC Berkeley, and you transferred your I-20 to UC Berkeley within the last 2 semesters do the following:

- Check your current UC Berkeley I-20 Program Start Date and Program End Date
- If your I-20 shows **less than one academic year of enrollment** (2 semesters) then you must also include copies of I-20s from your previous transfer schools to prove that you have been in continuous F-1 status for 1 academic year.
- I-20s should show the same SEVIS ID Number
- You can also request a letter from your BIO adviser for your OPT application

SPECIAL CASES

Step 2: Prepare and Mail the OPT Application

**PROGRAM START/END DATE**

01-January 2019 - 17 MAY 2019

Berkeley International Office
### SPECIAL CASES

**CHANGE OF STATUS STUDENTS**

If you are a student who changed your visa status inside the US within the last 2 semesters:

- Check your current UC Berkeley I-20 Program Start Date and Program End Date
- If your I-20 shows *less than one academic year of enrollment* (2 semesters) then you must also include 1) a *copy of your Change of Status Approval Notice* AND 2) *official UC Berkeley transcript* showing your continuous enrollment for at least 1 academic year.
- You can also request a letter from your BIO adviser for your OPT application
The Application Deadline

- USCIS must receive your complete OPT application no later than 30 days after the OPT I-20 ISSUE DATE on page 1.
  - The issue date is located next to the advisor's signature on page 1 of the OPT I-20. Please account for mailing time.
- Additionally, USCIS must receive your application before the end of your 60 day grace period.
- Track the status of your mailed application to be certain it was delivered on time.

Your application must be submitted to USCIS from within the U.S. If you exit the U.S. after your program completion date without applying for OPT, you cannot return and will lose your option for OPT.

We recommend that you apply early.

Berkeley International Office
TOP 3 MOST COMMON OPT DENIAL REASONS

1. Payment problems:
   - Check or Credit Card payment: Money is not in account at time of processing
   - Incorrect fee amount
   - Check, money order, or credit card form not completed properly
   - Wrong dates on check, money order (U.S Date style = MONTH/DAY/YEAR = MM/DD/YYYY)

2. Copy of OPT I-20 (pages 1-3) is TOO OLD
   - New applications: USCIS must receive your complete OPT application no later than 30 days after the OPT I-20 ISSUE DATE on page 1 of the I-20.
   - Resubmission after OPT Rejection or Denial: If your OPT is REJECTED OR DENIED you must NOTIFY BIO that your OPT has been rejected or denied. You will need to request a NEW OPT I-20 recommendation FROM BIO before you resubmit your OPT application. Again- USCIS must receive your new, complete OPT re-application no later than 30 days after the OPT I-20 ISSUE DATE on page 1 of the I-20.

3. I-765 problems:
   - Incomplete or incorrect form fields
   - Not signed

Applications may be rejected or denied for other reasons. These are the most common reasons as observed by BIO advisers.

If your application is rejected or denied you might still be able to re-apply to USCIS before the end of your 60-day grace period.

If you receive a Rejection or Denial (or Request for Evidence) notify BIO immediately, and ask for advice before your response. BIO sees many re-application denials which could have been avoided by consulting an adviser before response.

I-797C Notice of Action

You should receive the notice by mail within 2-4 weeks after mailing the OPT application to USCIS.

- **The I-797C is very important.** If you lose the receipt, it may be very difficult to replace it.
- **The I-797C is necessary if you want to:**
  1. inquire about the status of your OPT application.
  2. travel outside the U.S. while your OPT is pending.

**Receipt Number**
The case number for the OPT application at USCIS. Check the status of the case on the USCIS web site at [https://www.uscis.gov](https://www.uscis.gov).

**Received Date**
Date when USCIS begins processing the application. (It may not be the actual the application was received, but it is when the case was entered into the system.)

**Address Information**
Verify your name, date of birth, and address on the I-765 receipt notice. If incorrect, contact BIO immediately.

**Contacting USCIS**
If you have any problems or questions with the OPT application, contact a BIO advisor before calling the USCIS Customer Service.
USCIS Issues & Tracking Your Case

Sign up for an account at https://www.uscis.gov. This will allow you to receive automatic updates and monitor your case. Click “Check Your Case Status” and then select “Sign Up.”

General Case Tracking:
If you don’t sign up for an account, you can still track your case using the “Check Your Case Status” Tool.

Address Changes:
If your address changes, you can update it online through the “Change of Address” tool. Keep in mind that address changes can take 10 business days to process, and could jeopardize your OPT EAD delivery. We recommend keeping the same address for your entire OPT processing, if possible.
USCIS Issues: Case Inquiries & Expedites

Case Inquiries & Processing times:
You can submit inquiries and requests about your case using the Case Inquiry tool for these issues:

• If you don’t receive your receipt notice, EAD or other notifications
• If your case is pending longer than the normal processing time. See current USCIS processing times for Form “I-765” for “Potomac Service Center” here: https://egov.uscis.gov/processing-time/
• If there is an error on your receipt notice or EAD card

Expedites:
USCIS almost always denies F-1 student expedite requests for OPT. You can find expedite criteria here: https://www.uscis.gov/forms/how-make-expedite-request. USCIS may consider expediting if the request meets one or more of the following criteria:

• Severe financial loss to a company or person, if expedite is not due to applicant’s failure: (1) to file the benefit request in a reasonable time frame; or (2) to respond to any RFE in a timely manner;
• Urgent humanitarian reasons;
• Compelling U.S. Government interests (such as urgent cases for the Department of Defense or DHS, or other public safety or national security interests); or
• Clear USCIS error.

NOTE: 1) Severe financial loss to a company means the company would be at risk of failing. 2) The need to obtain employment authorization, standing alone, without evidence of other compelling factors, does not warrant expedited treatment.
Application Problems: RFE and Rejection/Denial

RFE

If there is a problem with your application, the USCIS may send you a notice by mail called a “Request for Evidence (RFE).” An RFE does not mean that your application has been rejected. It simply means that you need to send in additional documents before your EAD can be issued.

• Getting an RFE will delay the processing of your application.

Rejection/Denial

In some cases, the USCIS will return the entire application to you. If this happens, you must make corrections and send a new application before the end date of your 60-day grace period.

NOTIFY BIO that your OPT has been rejected or denied! You MUST request a NEW OPT I-20 recommendation from BIO before you resubmit your OPT application. USCIS must receive your new, complete OPT re-application no later than 30 days after the OPT I-20 ISSUE DATE on page 1 of the I-20.

Contact BIO IMMEDIATELY if you receive an RFE, rejection, or denial.

To avoid delays, review your application materials for completeness and sign all the forms before mailing them to the USCIS.
The Employment Authorization Document (EAD)

- Review your EAD card to make sure the information is accurate. If it is not, contact a BIO advisor immediately!

- Present your EAD to employers as proof of your legal work authorization in the US.

- The EAD is a required document for entry to the U.S. during OPT.

- You can ONLY work during the dates listed on the approved EAD card - not before and not after!

- Upload a copy of your EAD card at io.berkeley.edu/ssu.
Driver License Applications & Renewal

- If your California Driver License has expired, you can only renew the license after your OPT EAD EAD has been approved.

- This is because your I-20 has expired, and without proof of the OPT approval (and continuing F-1 status) you won’t qualify to renew the license.

- If you live in a state other than California, check with the local DMV regarding requirements for renewal.
Avoiding Immigration Scams

- It is very rare for USCIS or SEVP to contact you via phone regarding your application or your SEVIS record. Most notices from SEVP Portal are sent by email, and most notices from USCIS are sent via mail. They will generally never ask you for money.
- See USCIS’s website on how to avoid immigration scams, report fraud, and find authorized legal services.
- You can report immigration scams by contacting the FTC. Please visit the USCIS Avoid Scams Initiative website to learn more about avoiding immigration scams and reporting fraud.
Your Responsibilities during OPT

1. Reporting Requirements
2. Employment Requirements
3. Travel Documents for Re-entry
4. Applying for an F-1 Visa on OPT
1. Reporting Requirements: BIO SSU Hub—MANDATORY

• ALL STUDENTS ON OPT/STEM ARE REQUIRED TO USE THE BIO SSU HUB TO SUBMIT OPT UPDATES. BIO SSU Hub is a Berkeley International Office system.

• Submit updates online at io.berkeley.edu/ssu

• You will need to register for an SSU Hub account at your first login.

SEVP Portal—OPTIONAL

• The Student Exchange Visitor Program (SEVP) has its own “SEVP Portal” for students on OPT/STEM. On Day 1 of your Approved OPT, you will receive an email from SEVP with instructions on how to create an account. This email will come from do-not-reply.sevp@ice.dhs.gov.

• Be aware of scams—SEVP will NEVER ask you for a payment to register for the optional SEVP Portal.

• Registration for SEVP Portal is OPTIONAL. BIO WILL NOT USE the SEVP Portal for OPT reporting purposes. We recommend that you use the SEVP Portal as view only and continue to use SSU Hub to update your information.
ALL STUDENTS ON OPT/STEM ARE REQUIRED TO USE THE BIO SSU HUB TO SUBMIT OPT UPDATES. BIO SSU Hub is a Berkeley International Office system.

The following information must be reported to Berkeley International Office during the post-completion OPT period of authorization within 10 days of any changes:

- Your residential address
- Your phone and email address
- Employer's name
- Employer's address
- Job Title(s)
- Explanation of how your job(s) relates to your major area of study at UCB (see following section for further detail)
- Start and/or end dates of employment
- Any periods of unemployment
- Date of exiting the U.S. (You must provide date of exit if you decide to exit the U.S and complete your OPT status prior to the end date of your OPT)
- If your visa status changes while on OPT
- You are required to update this information within 10 days of any changes. Keep a receipt copy of the web site each time you report a change.
2. Employment Requirements

• You can only work during the dates listed on your approved OPT card.

• You must work a minimum of **20 hours per week** in a position related to your field of study. For more information, visit “Qualifying OPT Employment.”

• You cannot exceed more than **90 days of unemployment** while on OPT. Days of unemployment prior to your EAD start date do not count towards the 90 days. It is your responsibility to keep records of your employment and any periods of unemployment.

• For more information see: **OPT Unemployment Allowances**

• Cannabis Industry - be aware that use and sale of cannabis is illegal at the federal level, although it may be legal in some U.S. states. To avoid possible deportation or inadmissibility form the U.S., students should avoid positions related to federally illegal substances.
Direct relation to degree

• Federal regulations require that F-1 students on OPT provide a description of how their employment relates to their major area of study.

• There must be a logical connection between the duties involved in the OPT employment and the student's major area of study. In the written description, the regular duties should be explained and the connection between those duties and the degree should be described.
Examples: Direct relation to degree

1. Bachelor's degree in Electrical Engineering: I work full time as an Electrical Engineer at ABC Corp., a government contractor. In my job, I analyze client requirements for electrical systems and provide them with cost estimates of such systems. My work requires understanding of electrical circuit theory, which I studied in-depth at the University of ABC.

2. Bachelor's degree in Business: I work full time as a Loan Officer at a mortgage company, Happy Homes, where I meet with clients and evaluate, authorize and recommend approval of loan applications. On a daily basis, I use the knowledge I gained in my credit analysis, sales and marketing classes that I took as part of my major program of study.

3. Master's degree in Music: I am working at a hospital playing the harp in patient rooms. I also conduct hands-on harp beginner workshops for long-term patients. On average, I work at the hospital 35 hours a week. My duties directly utilize the skills and knowledge I acquired from my coursework and degree in music therapy.

4. PhD in Computer Science: I am employed as a Computer and Information Research Scientist at ABC Research Institute. I work as part of a team of scientists and engineers that designs experiments to test the operation of various software systems. My work builds on research in complex algorithms and machine learning, which I studied as part of my dissertation.

5. Master's degree in Kinesiology: I am working 25 hours a week in a health food store as a consultant for Self-Made Inc., designing and teaching exercise classes that are incorporated into a customer's overall nutrition and exercise plan. My designs and customer instruction draw upon my studies and classwork in exercise therapy and physical reconditioning.

Your admission to the U.S. is always at the discretion of the Customs and Border Protection Officers. To avoid problems, you must have the required documents outlined above.
Important Information on Travel

• Avoid long absences from the U.S. during the OPT period. Time spent outside of the U.S. while unemployed by a U.S. employer counts toward your 90 days of unemployment.
• Attempting to re-enter the U.S. close to the expiration date of your OPT can be risky.
• You must not enter the U.S. in a status other than F-1. This may result in the loss of your OPT eligibility.

Travel after Program Completion, But Before OPT Card is received

• There is a higher risk associated with travel and return while your OPT is pending after the program completion date. If there are any problems with your application, you may not be able to respond to USCIS in a timely manner, which could delay processing of your EAD.
• If your OPT application is denied while outside the U.S., you will not be able to re-enter the U.S. in F-1 status and will not be able to reapply.
4. Applying for an F-1 Visa on OPT

If you are traveling abroad and your F-1 visa has expired, you must obtain a new F-1 visa before returning to the U.S. When going to your visa interview, bring the documents below. For more information, visit: http://internationaloffice.berkeley.edu/visa_application

1. Valid passport
2. Valid I-20 with travel endorsement from a Berkeley International Office advisor within the past 6 months
3. Unexpired EAD Card
4. Job offer letter or proof of current employment directly related to your field of study
5. Evidence of sufficient funds (e.g. a bank statement, a letter from a sponsor or a job offer letter)

Check the U.S. Department of State web site for more information about getting a visa and specific requirements at the local embassy or consulate at www.travel.state.gov
5. Completing OPT & Grace Period

- You have a 60 day grace period following the end of the OPT EAD.
- Failure to exit, continue your F-1 status, or timely file an Extension or USCIS Change of Status will result in accrual of days of unlawful presence.
- If you intend to apply for an OPT STEM Extension, you must do so before the expiration of your 12 month OPT.
- The only additional extension of OPT available is the OPT Cap Gap Extension, for students who have an accepted cap-subject H1-B application.
- If you receive an Extension of your OPT, the grace period will begin after the end of the Extension period.

If you do not extend your OPT, and your EAD expires, you have the following options before the end of the 60 days grace period:

1. Exit the US within 60 days
2. **Continue your F-1 Status & Studies**: Transfer your I-20 to continue studies at another school OR request a Change of Educational Level to begin new studies at UC Berkeley
3. Work with immigration legal counsel regarding a Change of Status application to a new visa category. *You will need to check with your legal counsel regarding your allowed period of stay or required exit date if you have a pending change of status when your grace period ends.*
