Optional Practical Training (OPT) Application Tutorial

Please note that this tutorial is for instructional purposes only. An OPT I-765 application to USCIS is your own personal application. You alone are responsible for timely filing with full documentation, understanding F-1 rules regarding OPT, and properly maintaining F-1 status. What is OPT? Am I Eligible for OPT?

OPT is an F-1 student employment benefit that allows for off campus work authorization in a student’s major field of study. You must be in full-time F-1 status for at least one academic year.*

At UC Berkeley, one academic year means enrollment for consecutive:
- Fall – Spring semesters
- Spring – Fall semesters
- Spring – Summer semesters (enrollment May through August for the full Summer term)
- Summer (enrollment May through August minimum of 12) – Fall semesters

The OPT application cannot be submitted more than 90 days before your program completion date. You must must be in the US at time of the application to USCIS.

A job offer is not required to apply for OPT.

Review more details about OPT eligibility, types of OPT employment allowed, and unemployment limits on the OPT FAQs page.

* Some students who change visa status to F-1 and who have been continuously enrolled in a full-time degree program for at least 1 academic year may qualify for OPT prior to 1 year in F-1 status.
Are you eligible for OPT?

CPT Usage

• If you have used 1 year or more of full-time Curricular Practical Training (CPT), during your current degree level, then you do not qualify for OPT.

• Part-time CPT does not count towards OPT disqualification.

• Note that heavy CPT usage either part-time or full-time can cause your OPT application to be subject to additional scrutiny. Be prepared to provide evidence of all prior CPT I-20s, as well as the academic work related to your CPT.
Application Process Overview

1. Request an OPT I-20

The OPT I-20 will be ready 5 business days after submitting the OPT request form and Post-Completion Services Fee payment to Berkeley International Office.

2. Prepare and submit your I-765 application materials to USCIS

Gather and submit required online USCIS I-765 application documents, including a copy of your new OPT I-20. DO NOT SUBMIT YOUR APPLICATION TO USCIS WITHOUT YOUR OPT I-20!

How long will USCIS processing take?

Check USCIS’s current OPT and STEM OPT processing times. Select Form: “I-765” Form Category: “Based on a request by a qualified F-1 academic student [(c)(3)]” Service Center: “Potomac Service Center”. (Over the years, BIO has observed processing times ranging from 1-5 months, with most processed within 90 days.)

Section 1: Request OPT I-20 and Choose Your Start Date
Request your OPT I-20

Complete the online OPT Request Form:
• Confirm your expected program completion date.
• On Campus Employment - All current on-campus employment authorization MUST END on or before your Program Completion Date. You can only begin work again, directly related to your field of study, after your OPT EAD approved start date.
• Requires approval from your academic advisor
• Choose your OPT start date.
• Includes Post-Completion Services Fee of $225 to Berkeley International Office via credit/debit card.
Choose your OPT start and end date

- See [OPT Timelines](#) for your application windows & dates
- Your OPT requested start date is the date that you would like your 12 months of work authorization to begin. It must be within the 60-day grace period after the program completion date.
- The end date will usually be 1 year from your start date *(i.e. a July 2 start date will have a July 1 end date.)*
- **Job Offers** - *DON’T WAIT* until you get a job offer to apply for OPT or select your dates! Estimate when you would like to be available to work, and choose that start date. If you wait for an offer, you may not be able to apply for OPT in time, unless you are willing to pay a high fee for premium processing.
- The requested OPT start & end dates will be noted on page 2 of your new OPT I-20.

**NOTE:** Once USCIS receives the OPT application, it is not possible to change the requested start and end date.

Obtain Academic Advisor Recommendation

Your online OPT form will be sent to your academic advisor for approval. They will approve your program completion and post-completion OPT eligibility.

See here for Advisor e-Form Instructions & FAQ

Undergraduates:

- **L&S INSTRUCTIONS** - 1) Make an appointment with your Major Advisor. They will confirm that you are on track to complete all major requirements. If you are, the major advisor will either prepare a memo verifying that information or add a note into the BOA online advising system. 2) Complete the BIO OPT form using the email lns_international_students@berkeley.edu. If you do not complete Step 1 first, your request will be denied by L&S.

- **OTHER COLLEGES** - Either your College or Major advisor can complete the BIO form.

Graduates:

- Use the email of your Graduate Student Affairs Officer (GSAO), unless you are instructed by your department to use a faculty advisor or other staff member.

- Expected completion = last day of the semester in which program requirements are completed, OR thesis/dissertation filing date

- Speak with a BIO advisor if you have a job offer beginning before the last day of the semester. Graduate students who only have a dissertation/thesis remaining may be eligible to begin their post-completion OPT before filing.
Program completion: Completing in Summer Session?

To qualify for a **Summer** I-20 completion date, you must:

- Have a final in-person degree course requirement to be completed in Summer.
- Be enrolled full time during Summer Session or receive [Reduced Course Load](#) approval from BIO for final term.
- Use the end date of your specific Summer Session as your program completion date (i.e. Summer Session A end date), **OR**
- Use the general Summer Session end date (i.e. last date of Summer Session E).
- If you have only been enrolled for 1 previous semester (Spring) and are completing in your second semester-Summer, you must be enrolled *May through August*, from the start to the end of the Summer term.
- **Note:** If summer is your final semester, any on-campus employment or Curricular Practical Training is limited to 20 hours per week.
Summer Program Completion: Graduate Students Filing Thesis/Dissertation May-August

**Option 1**
- Use Spring Semester program completion date*
- No summer enrollment required for visa purposes
- Degree conferred in Spring or Summer (depends on when you file)
- OPT start date must be within 60 days of Spring Semester program completion date
- Employment: on-campus or CPT during Spring can only be part-time

**Option 2**
- Use Summer Session program completion date*
- Enrollment for Summer Session required for visa purposes (no unit minimum)
- Degree conferred in Summer
- OPT start date must be within 60 days of Summer program completion date
- Employment: on-campus or CPT during Summer can only be part-time

**Option 3**
- Use Fall Semester completion date*
- Be on Fall Filing Fee and submit thesis/dissertation after Summer Session end date
- Degree conferred in Fall
- OPT start date needs to be within 60 days of Fall program completion date
- Employment: on-campus or CPT can be full-time in Summer, only part-time in Fall

* Please speak with a BIO advisor about your program completion date and choosing an OPT start date. We will help you determine which option best suits your situation and needs.
Program Completion & Employment

• Your I-20 will be shortened to reflect your Program Completion date.

• ALL CURRENT EMPLOYMENT must STOP on or before your Program Completion date—this includes on or off-campus employment.

• After your program Completion Date, you may only work during the dates listed on your approved OPT EAD card. Working before or after the EAD card dates is a serious violation of F-1 status.

• Think carefully about your employment needs when choosing your OPT start date.

On Feb. 19th, Sue submits her I-765 application for OPT to USCIS. She is completing her program on May 10th and chooses July 1st as the OPT start date because she plans to be available to start work on that day. She receives the EAD on June 1. Her employer is pleased to see proof of the work permission early even though she cannot start working until July 1st, as noted on the EAD. Sue decides to go home for one month to celebrate her program completion and will return using her OPT travel documents.
George waits to find out his job offer start date, instead of applying for OPT early with an estimated start date. In May, he receives a job offer with a start date of July 10th. He requests July 10th as his start date, and submits his OPT I-765 application to USCIS on June 10th. On July 10th, George still hasn’t received his EAD, so he can’t work. George receives his EAD on August 10th and it expires the following year on July 9th. George has lost 1 month of his 12 month OPT because his application was approved after the latest available OPT start date. OPT EAD cards can’t be backdated, but the OPT has a maximum end date no more than 14 months from program completion.

(maximum possible end date)
Check your OPT I-20 for accuracy

After receiving your OPT I-20, notify BIO immediately if there are any errors.

Education Level
Education Level may have changed. (ex. PhD candidate decides to graduate with a Master’s)

Program End Date
Program completion date will be updated to the program completion date on the OPT request form. 
(I-20 will remain valid through OPT authorization period on page 2 or the approved EAD card dates)

Remember: All current on or off-campus employment authorization MUST END on or before your Program End Date. You can only begin work again, directly related to your field of study, after your OPT EAD approved start date.

School Attestation
Make sure there is a BIO advisor signature. Check the DATE ISSUED– USCIS must receive your application within 30 days of this date.

Student Attestation
Print, sign & date I-20. Sign by hand! Students 18 and over do not need a parent’s signature.
OPT requested start and end dates will be automatically adjusted if USCIS does not complete the processing of your OPT by the requested date. Your EAD will reflect the approved dates. Apply as early as possible.

You will receive a new travel signature at the time you request your OPT I-20.

Please note: USCIS must receive your application within 30 days of the DATE ISSUED date on PAGE 1, not the travel signature date. (The travel signature may be a later date.)
Section 2: Prepare & Submit Your Application Materials to USCIS
Can I file my USCIS OPT/STEM OPT Extension online?

This tutorial provides instructions for submitting the OPT or STEM OPT application by e-filing with USCIS. It’s also possible to file by mail. **E-filing is recommended.** See the [USCIS e-filing website](#) for more information.

**What is e-filing?**

USCIS e-filing allows you to:

- Create a USCIS account
- Pay the USCIS I-765 fee online
- Complete the I-765 form online and upload documents

USCIS will send all notifications to you via your online account. These include pending notices, requests for evidence, denials and approvals. USCIS will also send you these notices in paper form through the mail.

If you encounter problems, check with BIO and we will do our best to direct you to resources for support. The [USCIS Ombudsman has a helpful website](#) with a detailed Q&A about I-765 e-filing questions which may be helpful to you.
Options to Submit OPT Application (USCIS Form I-765)

E-filing: Filing Online (recommended)

Continue to the next slides in the tutorial for instructions specific to filing your OPT application with USCIS online.

Online Filing Benefits:

- Simpler and has less risk of application documents lost in the mail, or mail delays.
- Immediate receipt number upon submitting application.
- Lower risk of rejection due to payment issues, mistakes in filling out the application or forgotten documents.
- You can receive and respond to requests for evidence or other problems online.
- You can communicate with USCIS via your online account.
- USCIS will send all notifications to you via your online account. These include pending notices, requests for evidence, denials and approvals. USCIS will also send you these notices in paper form through the mail. See the USCIS e-filing website for more information.

Filing by Mail

If you choose to file by mail (not recommended):

1. You can request basic instructions from a BIO advisor on how to file the I-765 by mail. BIO no longer provides step by step paper I-765 instructions.
2. You will mail the complete paper Form I-765 and copies of required documentation to USCIS.
3. Continue in this tutorial to Section 3: After Filing & OPT Issues

Why is filing by Mail NOT recommended?

- This application process is slower due to mailing.
- You will not receive receipt notices or request for evidence electronically.
- Higher risk of lost application, denial due to incorrect fee payment, late applications.
Required documents for e-filed OPT I-765 application

I-765 Form & Fees

- **If you are applying by e-filing:** The online application will automatically be up-to-date with the current form and fees.

Some parts of the I-765 can be confusing. The following slides will help you complete those “tricky” questions.

**E-FILING:** Please note that the paper I-765 mirrors the online I-765 when e-filing, but some questions for e-filing may be missing, since the form adapts as you answer. The [USCIS Ombudsman has a helpful website](https://www.uscis.gov/ombudsman) with a [detailed Q&A about I-765 e-filing](https://www.uscis.gov/faq) questions which may be helpful to you.

Contact BIO with ANY questions or uncertainties about completing the I-765.

TOP 4 MOST COMMON E-FILING OPT DENIAL REASONS

1. **Copy of OPT I-20 (pages 1-3) is TOO OLD**
   - **New OPT applications**: USCIS must receive your complete OPT application no later than 30 days* after the ORIGINAL OPT I-20 ISSUE DATE on page 1 of the I-20.
   - **Resubmission after OPT Rejection or Denial**: If your OPT is REJECTED OR DENIED you must NOTIFY BIO. You will need to request a NEW OPT I-20 recommendation FROM BIO before you resubmit your OPT application. Again- USCIS must receive your new, complete OPT re-application no later than 30 days after the OPT I-20 ISSUE DATE on page 1 of the I-20.

2. **Online filing without OPT I-20**
   - Be sure to include the OPT I-20 before fully submitting online application.

3. **Submitted OPT Application after deadline**
   - Your OPT application must be received by USCIS before the end of the 60-day grace period following your Program Completion Date.

4. **Applied for the wrong I-765 category**
   - You are applying for category: *(c)(3)B) Student Post-Completion OPT*
   - Watch out for drop-down menu errors!

USCIS Issues & Tracking Your Case

E-Filing:
You can use your USCIS online account to:
• Get your current case status and the history of your case;
• Respond to Requests for Evidence (RFEs);
• Access every notice USCIS sends you; and
• Send USCIS secure messages and get answers.

Address Changes:
If your address changes, you can update it online through your existing USCIS online account if you filed your form online.

Keep in mind that address changes can take time to process, and could jeopardize your OPT EAD delivery. We recommend keeping the same address for your entire OPT processing, if possible.

Filing by Mail?
• Sign up for an account at https://www.uscis.gov. This will allow you to receive automatic updates and monitor your case. Click “Check Your Case Status” and then select “Sign Up.”
• Add your paper-filed case to your account (Step 13)
• General Case Tracking:
If you don’t sign up for an account (NOT RECOMMENDED), you can still track your case using the “Check Your Case Status” Tool.
Premium Processing

Premium Processing is now available for the I-765 form.

What is premium processing?
• USCIS will process your OPT/STEM I-765 request within 30 business days of submission of the fully completed I-907 form.

How much does it cost?
• It’s expensive! See the current Premium Processing for Form I-765 under the “Filing Fee” section on the Form I-907 website.

How can I request premium processing
• You can either file at the same time you complete your I-765 application. Or you can file the Form I-907 online later and “upgrade” your already pending OPT application. (The 30 business day processing guarantee only starts from when you pay the I-907 premium fee.)
• For more information see How Do I Request Premium Processing?

Is it worth it?
• Check current USCIS Processing times for “I-765” “Based on a request by a qualified F-1 academic student [(c)(3)]” with “Potomac Service Center”
• Premium processing doesn’t guarantee OPT approval! It also doesn’t guarantee you will receive your EAD card within 30 business days because mailing isn’t included. You will just be guaranteed a decision within 30 days: either an approval, denial, or request for additional evidence.
USCIS Issues: Case Inquiries & Expedites

Case Inquiries & Processing times:

You can submit inquiries and requests about your case using the Case Inquiry tool for these issues:

- If you don’t receive your receipt notice, EAD or other notifications
- If there is an error on your receipt notice or EAD card
- If your case is pending longer than the normal processing time. Check current USCIS Processing times for “I-765” “Based on a request by a qualified F-1 academic student [(c)(3)]” with “Potomac Service Center”
  - Scroll down the page, enter your receipt date and select “Get Inquiry Date”. This will advise you on if your case is being processed within normal timeframes, and provide you the first date you can make an inquiry.

Expedites (without paying Premium Processing):

USCIS almost always denies F-1 expedite requests for OPT. USCIS may consider expediting if the request meets one or more of the expedite criteria below. See expedite criteria & instructions here.

- Severe financial loss to a company or person, if expedite is not due to applicant’s failure: (1) to file the benefit request in a reasonable time frame; or (2) to respond to any RFE in a timely manner;
- Urgent humanitarian reasons;
- Compelling U.S. Government interests (such as urgent cases for the Department of Defense or DHS, or other public safety or national security interests); or
- Clear USCIS error.

NOTE: 1) Severe financial loss to a company means the company would be at risk of failing. 2) The need to obtain employment authorization, standing alone, without evidence of other compelling factors, does not warrant expedited treatment.
Application Problems: RFE, Rejection, Denial

RFE - If there is a problem with your application, the USCIS may send you a notice called a “Request for Evidence (RFE).” An RFE does not mean that your application has been rejected. It simply means that you need to send in additional documents before your EAD can be issued.

• Getting an RFE will delay the processing of your application.

Denial – Denials are usually the result of the student not fulfilling the eligibility requirements, e.g. application not received within 60 days of program completion date*. Denials are issued by adjudicators.

Filing by Mail: Rejection - USCIS mailing Lockbox typically reviews and rejects OPT applications within 2-4 weeks of receipt of the application packet due to a variety of reasons: missing documents in the application packet, issue with OPT application fee (credit card declined, check bounced), student forgot to sign I-765, etc.

• In some cases, USCIS will return the entire application to you by mail. If this happens, you must make corrections and send a new application. You may need to request a NEW OPT I-20 recommendation from BIO before resubmitting your OPT application. USCIS must receive your new, complete OPT re-application no later than 30 days after the OPT I-20 ISSUE DATE on page 1 of the I-20 and before the end date of your 60-day grace period*.

* For E-filed applications, USCIS uses UTC or Coordinated Universal Time to determine the time/date filed. If you are filing CLOSE to your deadline check the UTC time/date of filing!

Tips: To avoid delays, review your application materials for completeness and sign all the forms before submitting them to the USCIS.

Contact BIO IMMEDIATELY if you receive an RFE, rejection, or denial notice for assistance!
Application Problems: RFE, Rejection, Denial

How will I receive an RFE, Denial, or Rejection?

• **E-File:** You will receive all notices in your online account, and will receive a copy by mail as well

• Filing by Mail- You will receive all notices by mail. If you’ve added paper-filed applications to your online USCIS account, you may be able to access notices there.
The Employment Authorization Document (EAD)

- Review your EAD card to make sure the information is accurate. If it is not, contact a BIO advisor immediately!

- Present your EAD to employers as proof of your legal work authorization in the US.

- The EAD is a required document for entry to the U.S. during OPT.

- You can ONLY work during the dates listed on the approved EAD card - not before and not after!

- Upload a copy of your EAD card at io.berkeley.edu/ssu.
Avoiding Immigration Scams

- It is very rare for USCIS or SEVP to contact you via phone regarding your application or your SEVIS record. Most notices from SEVP Portal are sent by email, and most notices from USCIS are sent via mail. They will generally never ask you for money.

- See USCIS’s Avoid Scams Initiative website on how to avoid immigration scams, report fraud, and find authorized legal services.
Next Steps: After your OPT Approval

Your OPT has been approved! Remember- you are still F-1! While on OPT, students must follow certain rules and regulations to maintain their proper F-1 status in the U.S.

What are my REQUIRED next steps?

1. Register for the BIO SSU Hub (Address and Employer Reporting System) and review your OPT Reporting Requirements
   - Upload a copy of your OPT EAD card
   - Update your address
   - Report your employment information

2. Review the OPT Frequently Asked Questions page to understand rules and policies during OPT:
   - Types of Qualifying Employment
   - 90-Day Unemployment Rule
   - Traveling Outside the U.S.
   - Taking Classes While on OPT
   - Early Completion of OPT
   - Beginning a New Program of Study
   - Ending OPT
