OPT STEM Extension Eligibility

Requirements:

• You must be a recipient of a U.S. Bachelor’s, Master’s or Doctoral degree in a STEM (science, technology, engineering, or math) designated degree program. See this list of STEM Majors. (You can check the CIP code listed on your I-20.)

• You are currently authorized for 12-month OPT and have not exceeded 90 days of unemployment.

• Can apply based on any previous STEM degree from an SEVP, accredited U.S. institution within the last 10 years

• Employed or have a job offer related to your field of study from an employer who is registered in the USCIS E-Verify Program. Must complete Form I-983 with employer and all employers must have an EIN number.

• Your employer can work with you to fully complete the Form I-983 and abide by all employer obligations, including Dept. of Homeland Security Site visits.

• You are applying no more than 90 days before your 12-month OPT expires and no later than the expiration of your 12-month OPT.

Two 24-month STEM extensions may be granted per lifetime.
Types of Allowable Employment

- Volunteer/Unpaid positions and self employment are NOT allowed by the 24-Month OPT STEM Extension.

- **STEM-eligible employers** must have e-Verify & EIN numbers and the student must have a "bona fide employer-employee relationship". To establish a bona fide relationship, the employer may not be the student’s “employer” in name only.

According to [USCIS updates August 2018](#):

- Under no circumstances would another F-1 student on OPT or a STEM OPT extension be qualified to train another F-1 student on a STEM OPT extension.

- The employer that signs the Form I-983 **must be the same entity** that provides the practical training experience to the student.

- The employer has sufficient resources and personnel available to provide appropriate training in connection with the STEM opportunity at the location(s) specified in the Form I-983.

- The “personnel” who provide/supervise the training experience may be either employees of the employer, or contractors who the employer has directly retained to provide services to the employer; they may not be employees or contractors of the employer’s clients or customers.

- DHS will review on a case-by-case basis whether the student will be a bona fide employee of the employer signing the Training Plan, and verify that the employer that signs the Training Plan is the same entity that employs the student and provides the practical training experience.
Temp/Staffing Agencies, 3rd Party Worksites

- Staffing and temporary agencies may employ students under the STEM OPT program, but only if they will be the entity that provides the practical training experience to the student and they have and maintain a bona fide employer-employee relationship with the student.

- STEM OPT participants may engage in a training experience that takes place at a site other than the employer’s principal place of business as long as all of the training obligations are met, including that the employer has and maintains a bona fide employer-employee relationship with the student.

- A STEM OPT employer may not assign, or otherwise delegate, its training responsibilities to a non-employer third party (e.g., a client/customer of the employer, employees of the client/customer, or contractors of the client/customer).

- According to prior guidance from the Student and Exchange Visitor Program, if a student uses a temporary or staffing agency to place them in a training opportunity, the agency cannot complete and sign the Form I-983, "Training Plan for STEM OPT Students." Only the E-verified employer that provides the actual training relevant to the student's qualifying STEM degree is authorized to sign and complete the Form I-983.
When to Apply

STEM OPT I-20 Timing Considerations:
• You may apply as early as 90 days before your OPT EAD end date.
• You must submit your STEM I-20 request AT LEAST 2 weeks before your current OPT EAD expires.
• USCIS must receive your application before the expiration date of your OPT. Check your OPT EAD card for the expiration.

IMPORTANT!
If you are applying for an OPT STEM Extension at the same time you are filing for an H1-B employment visa you MUST consult with a BIO advisor before submitting your STEM application and payment to BIO. In some cases, filing for a STEM extension may be inappropriate or unnecessary.

* Your OPT will be automatically extended for 180 days while your OPT STEM application is pending.
Application Process Overview

In most cases we recommend beginning the OPT STEM application process 90 days before the expiration of your 12-month OPT period. The following slides will give you detailed information about each step.

1. **Complete the I-983 with your employer.**

2. **Access SSU Hub to update employment, complete the Apply for STEM form and pay your $300 Post-Completion Services Fee**
   This step can be completely entirely online in your SSU Hub.

3. **Receive STEM OPT I-20 from BIO.**
   The I-20 will be ready for pick up 5 business days after submitting your complete application and payment in SSU. Arrangements can be made to send you the new I-20 by mail. Please allow enough time for mailing USCIS must receive your application within 60 days of BIO recommending you, which is the date on the school attestation section of your I-20.

4. **Prepare, collect & mail your application materials to USCIS.**
   Allow approximately 1 week to gather and organize your materials for mailing. A complete application must be received by USCIS before the end date of your current OPT as noted on the EAD card. You must be in the United States to file the OPT STEM application with USCIS.

   Average processing time at the United States Citizenship and Immigrations Services (USCIS) is 90 days. However, you may continue to work on OPT for up to 180 days while the STEM application is pending.

6. **Maintain your F-1 status while on OPT STEM Extension.**
   You must report general address and employer updates to Berkeley International Office within 10 days of any change. 24 Month STEM Extension students must also submit a validation report every six months and training evaluations each 12 months. Find information about STEM Reporting [here](#). Your I-20 travel endorsement is valid for only 6 months while on OPT STEM. Failure to provide timely updates may result in termination of the F-1 record.

Step 1: Complete Form I-983

The formal training plan must clearly articulate the OPT STEM learning objectives and affirm the employer’s commitment to helping you achieve those objectives. To fulfill this requirement, you and your employer must complete and sign Form I-983 and then submit pages 1-4 to BIO.

The following slides provide specific details regarding the I-983; please confirm your application follows the requirements, even if your employer plans to prepare the form on your behalf.
Use the UC Berkeley School code found here, even if your STEM degree was from a different school.

• Page 1 if I-20 issued on/after 6/26/2015
• Page 3 if I-20 issued before 6/26/15

What are CIP Codes? Classification of Instructional Programs (CIP) codes are published by the National Center for Education Statistics (NES) & are used by SEVIS to designate a student’s major. Your CIP code determines whether your major has been designated as a STEM degree.

If your STEM degree is listed on your UC Berkeley I-20, check “no.”

Step 2: Update SSU

Log in to your Student SEVIS Update (SSU) account in order to submit your STEM I-20 request. *(Note: most processing delays are due to failure to update all new required fields in SSU.)*

Before applying for STEM, you must:

1. Update your current address/email/phone
2. Update all current & previous OPT employment
3. Upload a copy of your OPT EAD (if you haven’t already)

After you have done this, click the “Apply for STEM OPT Extension” link in the Other Requests and Reporting Forms section.

See next slide for instructions...
Step 2: Update SSU (Apply for STEM)

On the STEM OPT Application page SSU Indicate with which employer you will be applying for your STEM Extension

- If applying with a **current employer**, select the employer, and click “Apply with this Employer”
- If applying with a **new employer**, click “Add New Employer and Apply”

This will lead you to the Employer Information form...see next slide..
Step 2: Update SSU (Employer info)

For Current Employer: you’ll be asked to complete the extra STEM section of this form (see next slide)

For New Employer: you’ll be asked to complete all fields

Address: We recommend that you verify the standard formatting of your employer’s address by using the “look up a ZIP code” feature on USPS.com.

Address Street 1 should NOT contain the suite or office number. Please enter that in the field Address Street 2.
Step 2: Update SSU (Employer info)

For your STEM employer, please also complete sections 13-18. This information is required for STEM reporting.

Employer’s E-Verify Company Identification Number: Your employer should be able to provide you with this information. More information about the E-Verify program at [http://www.uscis.gov/e-verify](http://www.uscis.gov/e-verify)

Employer Identification Number: Your employer should be able to provide you with this information.

Company Official Information: This should match the information you listed on I-983 form section 5.

On the next pages, you will be given some instructions and asked to upload your I-983.
Step 2: Update SSU (Upload I-983)

Upload Documents

Please upload your completed I-983(s) following the instructions below.

Important Points for consideration:
- The I-983 is a 6-page form and must be uploaded in ONE FILE, not as individual pages.
- We do not accept electronic signatures on the I-983. Please obtain handwritten signatures.
- Please ensure all responses are visible on the I-983. The fillable PDF cuts off, so if your text exceeds the space allowed, please submit a separate attachment.
- Due to Section 1, DSO Name and Contact Information look like this? If no, please edit it before uploading.

TO UPLOAD:
1. Click the green Add Files button.
2. Select the correct file to upload.
3. Once file has been uploaded, identify your document by selecting an option in the drop down menu under "Type of Document" on the right.
4. Repeat this process for all required documents. You may upload more than one type of each document, if necessary.
5. To finish the process, click Submit Uploads. You will not be able to make changes after you click Submit.

According to your profile information, Granoll, Vanina, we need the following documents from you:

Form I-765

• Answer all questions fully and accurately.
• If a question does not apply to you, type or print “N/A”
• Print and complete ALL pages 1-7. If any pages are missing, your application will be rejected!

Some parts of the I-765 can be confusing. The following slides will help you complete those “tricky” questions. Contact BIO with ANY questions or uncertainties about completing the I-765.

Note: In mid-July 2018, the current version of the I-765 was updated. This tutorial reflects the newest version.

PART 2. Information About You, pg. 2

U.S. Mailing Address
This is where you would like the Receipt Notice and the EAD card to be mailed. This is very important!

The address should be valid for at least 3-5 months, the length of time it will take to process the application. If you have plans to move during this time, use a reliable friend or family member’s address to receive the EAD (indicate this in #5.a.)

#5.a. If the mailing address belongs to someone other than yourself, put their full name (First Name Last Name) here. If this is your address, write “N/A.”

Step 5:
Receive the Employment Authorization Document (EAD)
I-797 Notice of Action

You should receive the notice by mail within 2-4 weeks after mailing the OPT application to USCIS.

- The I-797 is very important. If you lose the receipt, it may be very difficult to replace it.
- The I-797 is necessary if you want to:
  1) inquire about the status of your OPT STEM application.
  2) travel outside the U.S when your OPT STEM is pending.

Receipt Number
The case number for the OPT application at USCIS. Check the status of the case on the USCIS web site at https://www.uscis.gov

Received Date
Date when USCIS begins processing the application. (It may not be the actual the application was received, but it is when the case was entered into the system.)

Address Information
Verify your name, date of birth, and address on the I-765 receipt notice. If incorrect, contact BIO immediately.

Contacting USCIS
If you have any problems or questions with the OPT application, contact a BIO advisor before calling the USCIS Customer Service.
USCIS Issues & Tracking Your Case

Case Status Updates
BIO strongly recommends that you sign up for an account at https://www.uscis.gov. This can allow you to receive automatic updates and monitor your case. Click “Check Your Case Status” and then select “Sign Up”.

General Case Tracking:
If you don’t sign up for an account, you can still track your case using the “Check Your Case Status” Tool

Address Changes:
If your address changes, you can update it online through the “Change of Address” tool. Keep in mind that address changes can take 10 business days to process, and could jeopardize your OPT EAD delivery. We recommend keeping the same address for your entire OPT processing, if possible.

Case Inquiries:
You can submit inquiries about your case using the Case Inquiry tool, if your don’t receive your receipt or other notifications, or if your EAD has been pending for more than 75 days.
Application Problems- RFE or Rejection/Denial

**RFE**- If there is a problem with your application, the USCIS may send you a notice by mail called a “*Request for Evidence (RFE)*.” An RFE does not mean that your application has been rejected. It simply means that you need to send in additional documents before your EAD can be issued.

- Getting an RFE will delay the processing of your application

**Rejection/Denial**- In some cases, if too many items are missing from your application, the USCIS will return the entire application to you. If this happens, you must make the corrections and send the application before the end date of your 60-day grace period.

Contact BIO IMMEDIATELY if you receive an RFE, rejection, or denial.

To avoid delays, review your application materials for completeness and sign all the forms before mailing them to the USCIS.
The Employment Authorization Document (EAD)

Average processing time at USCIS is 90 days/3 months. While waiting, keep these things in mind.

• Your F-1 status & employment authorization will be **automatically extended** for up to 180 days while your OPT STEM application is pending. You may work during this time.
• A change in employment will require a new BIO 24-Month STEM request AND a new I-983 with the new employer.
• You must work full time in your field of study while on your OPT STEM Extension
• You may accumulate up to 150 days of unemployment on OPT STEM inclusive of any time used during 12-month OPT.
• If you decide to return to school as a full-time student, you must request a [transfer or a change of level from Berkeley International Office](#) within 60 days of your EAD expiration date.

- Review card to make sure the information is accurate. If not, contact a BIO advisor.
- Present your EAD to employers as proof of your legal work authorization in the US.
- The EAD is a required document for entry to the US during STEM OPT
- Upload a copy of your EAD card at io.berkeley.edu/ssu
Step 6: STEM Reporting Requirements
1. Reporting Requirements

• Submit updates online at [io.berkeley.edu/ssu](http://io.berkeley.edu/ssu)

• You must report any changes to your employment, address, and/or name within 10 days.

• Complete 6 Month validation with BIO.

• Report Material Changes to your I-983 to BIO within 10 days.

• Annual Evaluation of Student Progress due at 12 and 24 Months

See [STEM Reporting Requirements](#) for instructions on how to submit updates, validations, & evaluations
Reporting your Information

While on OPT STEM, you must update the Berkeley International Office within 10 days of any changes to the following information:

• Your Name
• Your Residential Address
• Your Phone & Email Address
• Employer Name or Address
• Starting or Ending Employment
• Date of departure from the U.S. if you leave prior to OPT STEM end date and want to end your OPT.
• Change of status to another visa category

*We recommend saving the website page showing your updated information.*

**In order to update your information, you will need your UCB Student ID# and SEVIS # (found on your I-20 & starts with N00...).**
Reporting Requirements - BIO SSU HUB MANDATORY

• ALL STUDENTS ON OPT/STEM ARE REQUIRED TO USE THE BIO SSU HUB TO SUBMIT OPT UPDATES. BIO SSU Hub is a Berkeley International Office system.

• Submit updates online at io.berkeley.edu/ssu

SEVP Portal- OPTIONAL

• The Student Exchange Visitor Program (SEVP) has its own "SEVP Portal" for students on OPT/STEM. On Day 1 of your Approved OPT, you will receive an email from SEVP with instructions on how to create an account. This email will come from do-not-reply.sevp@ice.dhs.gov

• Be aware of scams- SEVP will NEVER ask you for a payment to register to register for the optional SEVP Portal.

• Registration for SEVP Portal is OPTIONAL. BIO WILL NOT USE the SEVP Portal for OPT reporting purposes. BIO recommends using SEVP Portal as “view-only.”
Changing Employment while on OPT STEM Extension

If you change employers during your 24-Month STEM period, follow these instructions. (If your STEM EAD has not yet been approved by USCIS, contact a BIO advisor for more information.)

Log into SSU and do the following:
1. Update your address/phone/email.
2. Add the new employer information and upload a new I-983 form for the new employer. You will choose the delivery method for your new I-20.
3. Edit your previous employer and add end date and upload the Final Evaluation I-983 page 5
4. Upload a copy of your STEM EAD (if we don’t have it already)
Report Material Changes to Form I-983

Material changes may include, but are not limited to:

• Change in employer address, supervisor
• Any change of the employer’s Employer Identification Number, (i.e., the company’s Federal Tax ID number) resulting from a change in the employer’s ownership or structure.
• Any reduction in your compensation that is not tied to a reduction in hours worked.
• Any significant decrease in hours per week that you engage in a STEM training opportunity.
• Changes to the employer’s commitments or your learning objectives as documented on the Form I-983.
• Updated Material Changes via a revised I-983 needs to be submitted to BIO within 10 business days.
6-Month Validation

• STEM OPT students must submit a validation report to BIO every *six months* starting from the date the 24-month extension begins and ending when the student's F-1 status ends.

• 4 validations in total over 24-month OPT STEM Extension time.

• Your F-1 record may be terminated if you fail to report each 6 months.

• Check your STEM start date and mark your calendar for each 6 month interval of your STEM Extension for your reporting deadlines. (Example: Your STEM Extension Starts January 1, 2017. You must submit 6 month validations on July 1, 2017, on January 1, 2018, on July 1 2018 and on Jan 1, 2019. )

• Be sure to check email reminders from BIO
Annual Evaluation

- You must submit Form I-983 page 5 “Evaluation of Student Progress” to BIO each 12 months and/or any time you leave an employer.
- Your employer must review and sign the self evaluation to attest to the accuracy.
- Your F-1 record may be terminated if you fail to submit your evaluations.
- Check your STEM start date and mark your calendar for each 12 month interval of your STEM Extension for your reporting deadlines. (Example: Your STEM Extension Starts January 1, 2017. You must submit an annual evaluation January 1, 2018, and a final evaluation by January 1, 2019)
- Be sure to check email reminders from BIO
**Important Information on Travel**

- Avoid long absences from the US during the STEM OPT period. Time spent outside of the US while unemployed by a U.S. employer counts toward your 90 days of unemployment.
- Attempting to re-enter the U.S. close to the expiration date of your OPT can be risky.
- You must not enter the U.S. in a status other than F-1. This may result in the loss of your OPT eligibility.

**Travel while STEM OPT is pending, But Before STEM OPT Card is received**

- There is a higher risk associated with travel and return while your OPT STEM is pending after the program completion date of your OPT EAD. If there are any problems with your application, you may not be able to respond to USCIS in a timely manner, which could delay processing of your EAD.
- If your OPT STEM application is denied while outside the US, and your original OPT EAD has expired, you will not be able to re-enter the US in F-1 status and will not be able to reapply.
Applying for an F-1 Visa on STEM OPT

If you are traveling abroad and your F-1 visa has expired, you must obtain a new F-1 visa before returning to the U.S. When going to your visa interview, bring the documents below. For more information, visit: [http://internationaloffice.berkeley.edu/visa_application](http://internationaloffice.berkeley.edu/visa_application)

1. Valid passport (at least 6 months in the future)
2. Valid STEM I-20 with travel endorsement from a Berkeley International Office advisor within the past 6 months
3. STEM EAD Card
4. Proof of current STEM OPT employment (employer should match employer info listed on the I-20)
5. Evidence of sufficient funds (e.g. a bank statement, a letter from a sponsor or a job offer letter)

Check the U.S. Department of State web site for more information about getting a visa and specific requirements at the local embassy or consulate at [www.travel.state.gov](http://www.travel.state.gov)
Completing OPT & Grace Period

- You have a 60 day grace period following the end of the OPT STEM EAD
- The only additional extension of OPT available is the [OPT Cap Gap Extension](#), for students who have an accepted cap-subject H1-B application
- Failure to exit, continue your F-1 status, or timely request a Gap Gap Extension or USCIS Change of status will result in accrual of days of unlawful presence
- If you receive an Extension of your OPT, the grace period will begin after the end of the Extension period.

If you do not extend your STEM OPT via the H1-B Cap Gap, and your EAD expires, you have the following options before the end of the 60 days grace period:

1. Exit the US within 60 days
2. [Continue your F-1 Status & Studies](#): Transfer your I-20 to continue studies at another school OR request a Change of Educational Level to begin new studies at UC Berkeley
3. Work with immigration legal counsel regarding a Change of Status application to a new visa category. You will need to check with your legal counsel regarding your allowed period of stay or required exit date if you have a pending change of status when your grace period ends.
Frequently Asked Questions (FAQs)

About Employment

What is considered full-time employment on the 24-month OPT STEM Extension? Students must work at least 20 hours per week for an E-Verify employer in a position directly related to the STEM degree, following the goals and objectives stated in the I-983 training plan. All employers must be authorized on the I-20 and in SEVIS.

I have two part-time jobs. One of the employers is enrolled in E-Verify but the other is not. Is this allowed? No, only full time employment is allowed at your STEM-eligible E-Verify registered employer.

How many days of unemployment am I allowed while on the 24-month STEM Extension? Students who receive a 24-month OPT STEM extension are given an additional 60 days of unemployment for a total of 150 days over their entire post-completion OPT period.

What counts as unemployment? Each day during the period when OPT authorization begins and ends that the student does not have qualifying employment counts as a day of unemployment.

Can I continue to work while my 24-month STEM Extension OPT is pending? If a student’s EAD expires while the STEM Extension application is pending with USCIS, the student is authorized to work until USCIS makes a decision about the application, but not more than 180 days from the date the student’s initial OPT EAD expires.

What documents should I present to my employer once my 12-month OPT expires and my OPT STEM is pending? The student should present the employer with the expired EAD card, the form I-20 recommending the student for STEM Extension, and proof of the timely filing with USCIS (OPT STEM I-797 receipt notice).

Can I change STEM employers after my STEM EAD is approved? Yes, see our OPT Reporting page for instructions on submitting a request to change employers. You should not start working before receiving authorization for the new employer.

Can I switch employers while my OPT STEM application is pending? Yes, but we do NOT recommend this. We recommend changing employers after the EAD is approved, if possible. Please contact BIO for instructions regarding how to change employers while your application is pending.
Can I travel outside the US during my approved OPT STEM period? Yes. However, if the student whose approved period of OPT has started travels outside of the US while unemployed, the time spent outside the United States will count as unemployment against the 90/150-day limits. See the OPT Travel page for required documents.

*If a student travels while employed either during a period of leave authorized by an employer or as part of their employment, the time spent outside the US will not count as unemployment.

Can I travel outside the US while my 24-month STEM Extension OPT is pending? Yes, travel while your OPT STEM application is pending is allowed if you have a valid F-1 visa and STEM I-20 signed within the past 6 months. You should travel with a copy of your I-797 receipt notice and proof of your STEM employment. See the OPT Travel page for required documents.

Can I renew my visa while on OPT STEM? Yes, you are eligible to renew your visa while on OPT STEM. Remember, that you are still applying for an F-1 non-immigrant visa which means you must demonstrate ties to your home country. See Applying for a Visa for a complete list of documents and advice on renewing the visa during OPT STEM and feel free to discuss your concerns with an advisor. Be advised that you MUST have an approved STEM EAD to apply for a new visa.

What documents do I need to re-enter the U.S? If you are eligible for travel, you will need:

- A valid passport with unexpired F-1 visa stamp (if applicable)
- Form I-20, signed on page 2 by an International Student Advisor at Berkeley International Office within the last 6 months
- Unexpired EAD Card.
- Proof of employment (or employment offer)
