COVID-19 Updates

- USCIS remains open for OPT/STEM I-765 application processing. Some USCIS locations are closed for in-person services. NO impact to OPT/STEM applications.
- We have not seen a delay in I-765 processing time due to COVID-19.
- OPT/STEM I-765 applications MUST be submitted from inside the U.S. You must be physically present in the US when your application is received by USCIS. USCIS has NOT made an exception to this due to COVID-19.
- USCIS has NOT changed application timelines and deadlines due to COVID-19.
- USCIS still requires a handwritten “wet” (made with your hand and a pen) signature for the I-765. NO DIGITAL or ELECTRONIC SIGNATURES.
- USCIS has NOT changed the 150 day unemployment rule due to COVID-19
- Monitor BIO’s COVID-19 FAQ page for updates regarding travel, post-completion employment and other COVID-19 issues. This page is updated as we receive new guidance from government agencies, including USCIS.
USCIS Updates

- January 8, 2021: USCIS updated the direct mailing address for the I-765. Make sure you are mailing to the correct address. See the Mailing the I-765 section of the tutorial.
- On September 29, 2020, the U.S. District Court for the Northern District of California issued a nationwide preliminary injunction and stay on implementation of the 2020 final USCIS fee rule in its entirety. This includes stopping any changes to current fees and forms.
- See the Fees and I-765 sections of the tutorial for more information about the form and fee changes.
- Make sure you are paying the correct fee and using the correct form on the date you are mailing your package to USCIS.

OPT STEM Extension Eligibility

Requirements:

• You must be a recipient of a U.S. Bachelor’s, Master’s or Doctoral degree in a STEM (science, technology, engineering, or math) designated degree program. See this list of STEM Majors. (You can check the CIP code listed on your I-20.)
• You are currently authorized for 12-month OPT and have not exceeded 90 days of unemployment.
• Can apply based on any previous STEM degree from an SEVP, accredited U.S. institution within the last 10 years
• Employed or have a job offer related to your field of study from an employer who is registered in the USCIS E-Verify Program. Must complete Form I-983 with employer and all employers must have an EIN number.
• Your employer can work with you to fully complete the Form I-983 and abide by all employer obligations, including Dept. of Homeland Security Site visits.
• You are applying no more than 90 days before your 12-month OPT expires and no later than the expiration of your 12-month OPT.

Two 24-month STEM extensions may be granted per lifetime.
Types of Allowable Employment

• Volunteer/Unpaid positions and self employment are NOT allowed by the 24-Month STEM OPT Extension.

• **STEM-eligible employers** must have e-Verify & EIN numbers and the student must have a “bona fide employer-employee relationship”. To establish a bona fide relationship, the employer may not be the student’s “employer” in name only.

• Cannabis Industry- be aware that use and sale of cannabis is illegal at the federal level, although it may be legal in some U.S. states. To avoid possible deportation or inadmissibility form the US, students should avoid positions related to federally illegal substances.

According to [USCIS updates August 2018](#):

• Under no circumstances would another F-1 student on OPT or a STEM OPT Extension be qualified to train another F-1 student on a STEM OPT Extension.

• The employer that signs the Form I-983 must be the same entity that provides the practical training experience to the student.

• The employer has sufficient resources and personnel available to provide appropriate training in connection with the STEM opportunity at the location(s) specified in the Form I-983.

• The “personnel” who provide/supervise the training experience may be either employees of the employer, or contractors who the employer has directly retained to provide services to the employer; they may not be employees or contractors of the employer’s clients or customers.

• DHS will review on a case-by-case basis whether the student will be a bona fide employee of the employer signing the Training Plan, and verify that the employer that signs the Training Plan is the same entity that employs the student and provides the practical training experience.
Temp/Staffing Agencies, 3rd Party Worksites

- Staffing and temporary agencies may employ students under the STEM OPT program, but only if they will be the entity that provides the practical training experience to the student and they have and maintain a bona fide employer-employee relationship with the student.

- STEM OPT participants may engage in a training experience that takes place at a site other than the employer’s principal place of business as long as all of the training obligations are met, including that the employer has and maintains a bona fide employer-employee relationship with the student.

- A STEM OPT employer may not assign, or otherwise delegate, its training responsibilities to a non-employer third party (e.g., a client/customer of the employer, employees of the client/customer, or contractors of the client/customer).

- According to prior guidance from the Student and Exchange Visitor Program If a student uses a temporary or staffing agency to place them in a training opportunity, the agency cannot complete and sign the Form I-983, “Training Plan for STEM OPT Students.” Only the E-verified employer that provides the actual training relevant to the student’s qualifying STEM degree is authorized to sign and complete the Form I-983.
Unemployment During STEM OPT

- As long as you have submitted a timely filed STEM application to USCIS, you can continue working for up to 180 days after the expiration of your original OPT EAD while you wait for the STEM EAP approval.
- During **12-month OPT** you have a maximum of 90 days of unemployment over the 12 month period. During the STEM period you are allowed an additional 60 days of unemployment.
- **Starting from the first date of your STEM OPT period**, the total allowed unemployment days extends to a maximum of 150 days of unemployment during the entire OPT/STEM period, *beginning from the start of your original OPT EAD card*.
- This is NOT just 150 days at the *beginning* of OPT or STEM. You are only allowed 150 total days over the entire 3 years.
- If you exceed 90 days of unemployment during your original 12-month OPT you are not eligible to apply for the STEM OPT Extension.

You used 60 days of unemployment during your **12 month OPT period** from Jan 1-Dec. 31, 2020. Your **STEM period** begins on Jan 1, 2021. You continue your work after Jan 1, 2021 with Company A. On March 1, 2021 you end your job with Company A. You later apply for a new STEM I-20 authorization for a job with Company B that begins on April 30. You have used another 60 days of unemployment, for a total of 120. You now have only 30 more days of unemployment remaining for the rest of your STEM period until December 31, 2022.
Warning! Increased OPT/STEM OPT Scrutiny by DHS

- U.S. Immigration and Customs Enforcement (ICE) has recently applied increased scrutiny to the OPT and STEM OPT programs, resulting in recent arrests for students who reported fraudulent employment with non-existent employers or false employment information.
- Falsifying your OPT employment records or reporting employment that is not legitimate may result in serious repercussions.
- SEVIS may also automatically terminate F-1 records for students who have more than 90 days of unemployment.
When to Apply

STEM OPT I-20 Timing Considerations:

- You may apply as early as 90 days before your OPT EAD end date.
- You must submit your STEM I-20 request AT LEAST 2 weeks before your current OPT EAD expires.
- USCIS must receive your application before the expiration date of your OPT*. Check your OPT EAD card for the expiration.
- USCIS processing ranges from 3-5 months, with an observed average of 90-120 days. See current USCIS processing times for Form “I-765” for “Potomac Service Center” here: https://egov.uscis.gov/processing-time/
- If you are applying for an OPT STEM Extension at the same time you are filing for an H-1B employment visa you MUST review both the H-1B & STEM Extension information at the end of this tutorial and the Cap-Gap webpage.

IMPORTANT!
* Your OPT employment authorization will be automatically extended for 180 days after your OPT EAD end date while your OPT STEM application is pending.
Application Process Overview

In most cases we recommend beginning the OPT STEM application process 90 days before the expiration of your 12-month OPT period. The following slides will give you detailed information about each step.

1. Complete the I-983 with your employer.

2. Access SSU Hub to update employment, complete the Apply for STEM form and pay your Post-Completion Services Fee ($450 until February 11, 2021 and $490 on or after February 12, 2021). This step can be completely entirely online in your SSU Hub.

3. Receive STEM OPT I-20 from BIO. The I-20 will be ready for pick up 5 business days after submitting your complete application and payment in SSU. Arrangements can be made to send you the new I-20 by mail. Please allow enough time for mailing USCIS must receive your application within 60 days of BIO recommending you, which is the date on the school attestation section of your I-20.

4. Prepare, collect & mail your application materials to USCIS. Allow approximately 1 week to gather and organize your materials for mailing. A complete application must be received by USCIS before the end date of your current OPT as noted on the EAD card. You must be in the United States to file the OPT STEM application with USCIS.

5. Receive your STEM Extension Employment Authorization Document (EAD). Processing time for USCIS is approximately 3-5 months. The observed average processing time is 90-120 days, but can take longer in some cases. However, you may continue to work on OPT for up to 180 days while the STEM application is pending. See current USCIS processing times for Form “I-765” for “Potomac Service Center” here: https://egov.uscis.gov/processing-time/

6. Maintain your F-1 status while on OPT STEM Extension. You must report general address and employer updates to Berkeley International Office within 10 days of any change. 24 Month STEM Extension students must also submit a validation report every six months and training evaluations each 12 months. Find information about STEM Reporting here. Your I-20 travel endorsement is valid for only 6 months while on OPT STEM. Failure to provide timely updates may result in termination of the F-1 record.

Can I do anything about the long USCIS processing time? There is nothing you can do about the USCIS processing time, other than to apply as early as possible! See USCIS Issues & Tracking for how to report a case processing longer than the current USCIS processing time.
OPT STEM Application Timeline:  
(Example: July 9th 12-month OPT end date)

- Submit STEM OPT request in SSU to BIO as early as 90 days before OPT ends.
- STEM OPT I-20 processed by BIO in 5 business days; Submit I-765 & supporting materials to USCIS.
- 12-month OPT end date (example); last possible date for USCIS to receive STEM application.
- 24-month STEM EAD received; Upload image of STEM EAD card to SSU.

Application processing with USCIS (3-4 month average)

You may continue to work on OPT for up to 180 days after your OPT expires while the STEM application is pending with USCIS.
The formal training plan must clearly articulate the OPT STEM learning objectives and affirm the employer’s commitment to helping you achieve those objectives. To fulfill this requirement, you and your employer must complete and sign Form I-983 and then submit pages 1-4* to BiO.

*Do not upload page 5 of the I-983 at this time. See Annual Evaluation for when you will submit page 5.

The following slides provide specific details regarding the I-983; please confirm your application follows the requirements, even if your employer plans to prepare the form on your behalf.
Signatures on the I-983 during Covid-19

During COVID-19 shelter in place restrictions, BIO can accept your and your employer’s e-signatures on the I-983.

Acceptable e-signatures include Adobe Docu-signatures, Apple Pen signatures and handwritten signatures that have been scanned and pasted into the signature field.

BIO CANNOT accept an I-983 where a person’s name has simply been typed into the signature line.

This exception applies only to the I-983. It does not apply to the I-765. The I-765 must be printed and then signed and dated by hand in black ink. USCIS does not accept any sort of e-signature on this document and has rejected application that include e-signatures.
Complete I-983

Always download the current I-983 from the SEVP website. USCIS often updates the expiration date. If the expiration date is passed, that’s OK—USCIS may be in the process of updating the form.

Use the UC Berkeley School code found here, even if your STEM degree was from a different school.

If your STEM Degree is from a different school (NOT UC Berkeley), you will need to enter the name of the school where you obtained your STEM degree.

Pages 3-4 contain the details of the required Training Plan to be determined by you and your employer. To avoid rejection of your application, think carefully about each question and answer fully and completely. Imagine this is an essay exam to be graded—have you and your employer addressed all parts of each question, clearly and specifically? See the next 2 slides slides 14-15 for more details.

Other points for consideration:
• We do not accept electronic signatures on the I-983. Please obtain handwritten signatures.
• Please ensure all responses are visible and upload a corrected I-983. (fillable PDF cuts off. If you don’t have enough room, please submit an attachment.)
I-983 Training Plan Section 5

The description must both specify the student's goals regarding specific knowledge, skills, or techniques as well as the means by which they will be achieved.

- Responses that don’t include learning objectives or how they will be achieved will be rejected.
- Example of response: The student’s work-based learning goals/work objectives related to their STEM degree are [describe goals & relation to degree] and they will be achieved by [describe methods].
I-983 Training Plan Section 5

Step 2: Update SSU

Log in to your Student SEVIS Update (SSU) account in order to submit your STEM I-20 request. (Note: most processing delays are due to failure to update all new required fields in SSU.)

Before applying for STEM, you must:
1. Update your current address/email/phone
2. Update all current & previous OPT employment
3. Upload a copy of your OPT EAD (if you haven’t already)

After you have done this, click the “Apply for STEM OPT Extension” link in the Other Requests and Reporting Forms section.

See next slide for instructions...
Step 2: Update SSU (Apply for STEM)

On the STEM OPT Application page SSU Indicate with which employer you will be applying for your STEM Extension

- If applying with a **current employer**, select the employer, and click “Apply with this Employer”
- If applying with a **new employer**, click “Add New Employer and Apply”

This will lead you to the Employer Information form. See next slide...
Step 2: Update SSU (Employer info)

For Current Employer: you’ll be asked to complete the extra STEM section of this form (see next slide)

For New Employer: you’ll be asked to complete all fields

Address: We recommend that you verify the standard formatting of your employer’s address by using the “look up a ZIP code” feature on USPS.com.

Address Street 1 should NOT contain the suite or office number. Please enter that in the field Address Street 2.
Step 2: Update SSU (Employer info)

For your STEM employer, please also complete sections 13-18. This information is required for STEM reporting.

**Employer’s E-Verify Company Identification Number:** Your employer should be able to provide you with this information. More information about the E-Verify program at [http://www.uscis.gov/e-verify](http://www.uscis.gov/e-verify)

**Employer Identification Number:** Your employer should be able to provide you with this information.

**Company Official Information:** This should match the information you listed on I-983 form section 5.

On the next pages, you will be given some instructions and asked to upload your I-983.
Step 2: Update SSU (Upload I-983)

Upload Documents

Please upload your completed I-983(a) following the instructions below.

Important Points for consideration:

- The I-983 is a 5-page form and must be uploaded in ONE FILE, not as individual pages.
- We do not accept electronic signatures on the I-983. Please obtain handwritten signatures.
- Please ensure all responses are visible on the I-983. The fillable PDF cut off, so if your text exceeds the space allowed, please submit a separate attachment.
- Does Section 1, DSO Name and Contact Information look like this? If no, please edit it before uploading.

TO UPLOAD:

1. Click the green Add Files button.
2. Select the correct file to upload.
3. Once file has been uploaded, identify your document by selecting an option in the dropdown menu under “Type of Document” on the right.
4. Repeat this process for all required documents. You may upload more than one type of each document, if necessary.
5. To finish the process, click Submit Uploads. You will not be able to make changes after you click Submit.

The photos must have a white to off-white background, be printed on thin paper with a glossy finish, and be unmounted and unretouched. The passport-style photos must be 2” by 2”. You must remove your glasses and your head must be bare unless you are wearing headwear as required by a religious order of which you are a member.
- Using pencil or felt tip (soft) pen, lightly print your name and I-94 number on the back of the photo. Do not damage the photo surface by pressing hard while writing.

Gather the required documentation

Check, Money Order, or Credit Card:

• **USCIS FEE IS CHANGING**: The current fee is $410 but could change at any time after 10/2/2020 due to lawsuits regarding the fee/forms changes! You must pay the correct fee at the correct time. SEE THE 1-765 FORM/FEE UPDATE SECTION BEFORE MAKING YOUR PAYMENT!

• **USCIS Payment Methods**: Check/Money Order or Credit Card Payment for correct fee amount.

  • **Check/Money Order** should be made payable to “U.S. Department of Homeland Security” with SEVIS number in the memo line. Money orders can be purchased at banks, post office, and some local grocery stores. Make sure a name and address are printed on the check. If the address has changed, that is fine.

    • Do not use “temporary checks” often issued by the bank when opening a new account. These checks have no name or address in the upper left hand corner.

  • **For Credit Card** payment, submit form G-1450, authorized payment for the correct fee amount. You may only use a credit card account with a U.S. billing address—no foreign billing address is allowed. You can use cards with Visa, MasterCard, American Express, and Discover. See Pay Your USCIS Fees With a Credit Card

• **MOST DENIALS ARE DUE TO BAD PAYMENTS! IF YOU USE A CHECK OR CREDIT CARD MAKE SURE YOU MAINTAIN SUFFICIENT FUNDS IN THE ACCOUNT.**

Money orders and cashier checks should include the same information as a personal check.
Form G-1145

- Attach to the top of the OPT STEM Application Packet
- This is an optional form. Use this form to request text and email notification(s) regarding your application.

**WARNING!**

USCIS will rarely contact you by phone regarding the status of your application.

If you receive a phone call from a person claiming to work for USCIS or any other government agency, do not provide your personal information to them. Note the person’s name and phone number and contact a BIO advisor before responding.
USCIS is updating both the I-765 FORM and the I-765 FEE. Please pay attention when you are mailing your application to be sure you pay exactly the correct fee and use exactly the correct edition of the I-765 form:

- ON or AFTER October 2, 2020, please check the USCIS I-765 website ON THE DATE OF MAILING to be certain you are using the correct form edition.
- Print the Fee & Form Date information from the I-765 page ON THE DATE OF MAILING and include it with your application. Make certain the printout includes the date.

**What is a postmark?**
That’s the date that U.S. Postal Service officially sends the package, and stamps the package as mailed.
For commercial couriers (UPS, FedEx, or DHL, etc.), USCIS considers the date on the courier receipt as the postmark date for purposes of filing.

IF YOU PAY THE WRONG FEE OR USE THE WRONG FORM, YOUR APPLICATION WILL BE DENIED! THERE ARE ONGOING LAWSUITS WHICH ARE CURRENTLY IMPACTING THE FEE & FORM.

CONTACT BIO IF YOU ARE UNSURE OF WHICH FORM OR FEE TO USE.

Download the Form I-765 DIRECTLY from the USCIS I-765 web site and review the Instructions for Form I-765 found there. You DO NOT need to complete the I-765WS (I-765 Worksheet). **DO NOT download and complete any form titled Preview: Form I-765!**

**Important:** Use ONLY the I-765 version indicated under the “Edition Date” on the USCIS website.

1. Download I-765 form just before mailing the application since USCIS updates the form frequently.

PART 1. Reason for Applying, pg. 1
Check the “1.a.” box for “Initial Permission to accept employment.”

Why shouldn’t I select 1.c. since STEM is a renewal of my OPT authorization? Isn’t Renewal more correct?

NO. The USCIS instructions for filling out the I-765 state that you should select 1a if you are “requesting employment authorization for the first time under a specific eligibility category.” The OPT and STEM OPT eligibility categories are different, so this is your first time requesting permission to accept employment under the STEM OPT eligibility category. (You will write the STEM eligibility category on #27 of the I-765.)

PART 2. Information About You, pg. 2

U.S. Mailing Address

This is where you would like the Receipt Notice and the EAD card to be mailed. **This is very important!**

The address should be valid for at least 3-5 months, the length of time it will take to process the application. If you have plans to move during this time, use a reliable friend or family member’s address to receive the EAD (indicate this in #5.a.) It is also possible to use a P.O. Box for mailing addresses.

OR- you can use your current address and update your address with USCIS. Keep in mind that address changes can take 10 business days to process, and could jeopardize your OPT EAD delivery. We recommend keeping the same address for your entire OPT processing, if possible.

#5.a. If the mailing address belongs to someone other than yourself, put their full name (First Name Last Name) here. This person MUST be listed as a resident of the address with the U.S. Postal Service. If this is your address, write “N/A.”

#5.b-5.e Write a valid mailing address in the U.S. It may be a residence, commercial address, or PO Box. You may not use BIO’s address.

• Designate an agent to sign on your behalf by completing the Postal Service’s PS Form 3801 or PS Form 3801-A (for apartments, hotels).

• Sign up for USPS Informed Delivery to receive delivery status notifications.

• OR- Arrange for pickup at a post office at a convenient date and time by going to the USPS website and selecting “Hold Mail” This will stop delivery of all your mail.

Complete the Form I-765

You are done with the I-765!

1. Review all the information on the form for accuracy. You must submit ALL 7 pages of the I-765.
2. Make a copy of your completed I-765 application to keep for your records, in case there is a problem with the application.
3. Next, gather the required documentation and copies. See the following slides...
Gather the required documentation

Photocopy of UCB OPT STEM I-20 (all pages):

- Must be received by USCIS within 60 days of DATE ISSUED on page 1.
- Original must be signed by a BIO advisor by hand before copying.
- Original must be signed by hand by the student at the bottom of page 1 before copying.
- The requested OPT start and end dates will appear on page 2.
- Do not mail the original I-20.
Gather the required documentation

Photocopy of PREVIOUS OPT I-20 (all pages):

Page 2 should show your initial 12-month OPT authorization.

Do I need copies of my previous CPT I-20s?

No! USCIS doesn’t need to review your previous CPT usage. They only need to review your prior OPT and STEM authorizations.
Gather the required documentation

Photocopy of Passport and Visa:

• Photocopy the passport biographic page (with photo and passport expiration date); passport must be valid 6 months into the future.

• Photocopy the F-1 visa, if applicable; visa does not need to be valid.
Gather the required documentation

Photocopy of I-94 Information:

The I-94 can be either:

OR

- a paper I-94 card stapled into your passport. Include a copy of both sides, even though the back side may be blank.

OR

- a copy of an I-797 Change of Status Approval Notice which includes a new I-94.
Gather the required documentation

Photocopy of current OPT EAD: *(and previous STEM EADs if applicable)*

- Include a copy of the front and back of the card.
- Include I-797 notice of approval if available.
Gather the required documentation

Photocopy of Diploma or Official Transcripts

- Your diploma or official transcripts must show the major and degree level that makes you eligible for the STEM extension. Final Transcripts are preferred.
- For information about obtaining your UC diploma if you do not have it, see http://registrar.berkeley.edu/diplomas.html
Gather the required documentation

Previous Degrees or Previous STEM Extensions

• If the OPT STEM Extension is based on a prior degree not listed on your current 12-Month OPT, you must also include a copy of your I-20 from the previous school.
• If you have previously had another STEM extension, you must include a copy of your previous STEM I-20.
• If the I-20 is not available, either request 1) a screenshot of your F-1 SEVIS record from the previous school OR 2) a letter from your previous international office stating your name, SEVIS ID, the dates of your attendance, and your STEM major and CIP code.
Step 4: Prepare and Mail the OPT Application

Gather the required documentation

Additional STEM OPT Documents:
CIP Code/Major Name Mismatch

- In some cases, your UC Berkeley Major Name on your transcript/diploma and does not match the CIP Code name listed on page 1 of your I-20. (Example: Your Major title is “Journalism” the designated CIP code for the Journalism degree at UC Berkeley is 09.0702— Digital Communication and Media/Multimedia.)

- BIO recommends that students in these “CIP Code/Major Name Mismatch” programs submit a letter of explanation with the STEM application to avoid any confusion by USCIS.

- Review the Additional STEM OPT Documents, CIP Code/Major Name Mismatch section of the STEM webpage to see if a letter is recommended for your major.

What are CIP Codes? Classification of Instructional Programs (CIP) codes are published by the National Center for Education Statistics (NES) & are used by SEVIS to designate a student’s major. Your CIP code determines whether your major has been designated as a STEM degree.
Gather the required documentation

Additional STEM OPT Documents: Concurrent H-1B & STEM Applications

Filing an H-1B and a STEM applications concurrently can sometimes cause complications in your SEVIS record. If you are planning to file for an H-1B and STEM at the same time, you should submit your OPT STEM application on time, before the original 12 month EAD expires.

BIO recommends including the following letter with your STEM Extension application to USCIS:

- **STEM/Cap-Gap Letter**: Include this letter if a Cap-Gap Extension appears on your OPT STEM I-20.
- **STEM/H-1B Letter**: Include this letter if NO Cap-Gap Extension currently appears on your I-20, but your employer has filed for an H-1B for you and your OPT expires before 9/30.
- See [H-1B & STEM Extension](#) information at the end of this tutorial.
Step 4: Prepare and Mail the OPT Application

Application Deadline

USCIS must receive the OPT STEM application:

- No later than 60 days after the OPT STEM I-20 ISSUE DATE on page 1.
  - The issue date is located next to the advisor’s signature on page 1 of the OPT STEM I-20.
- No later than the end date of your current 12-month OPT as noted by your EAD. Please account for mailing time.
- If you have received a Cap-Gap Extension of your I-20, you must still submit your STEM application to USCIS before the expiration of your 12 month EAD.
- You may apply up to 90 days before your current OPT end date.
- Track the status of your mailed application to be certain it was delivered on time.

We recommend that you apply early.

Your application must be submitted to USCIS from within the U.S.
TOP 3 MOST COMMON OPT STEM DENIAL REASONS

1. Payment problems:
   - Check or Credit Card payment: Money is not in account at time of processing
   - Incorrect fee amount. Check the current fee at: https://www.uscis.gov/i-765
   - Check, money order, or credit card form not completed properly
   - Wrong dates on check, money order (U.S Date style = MONTH/DAY/YEAR = MM/DD/YYYY)

2. Copy of OPT STEM I-20 (pages 1-3) is TOO OLD
   - New OPT STEM applications: USCIS must receive your complete OPT application no later than 60 days after the ORIGINAL OPT STEM I-20 ISSUE DATE on page 1 of the I-20.
   - Resubmission after OPT STEM Rejection or Denial: If your STEM OPT is REJECTED OR DENIED you must NOTIFY BIO that your OPT has been rejected or denied. You may need to request a NEW OPT I-20 recommendation FROM BIO before you resubmit your OPT STEM application. Again, USCIS must receive your new, complete OPT re-application no later than 60 days after the OPT I-20 ISSUE DATE on page 1 of the I-20 AND BEFORE the expiration of your OPT EAD.

3. I-765 problems:
   - Incomplete or incorrect form fields
   - Not signed, or not signed in ink by hand
   - Wrong version of the form

Check the Current Edition of the form: https://www.uscis.gov/i-765

Applications may be rejected or denied for other reasons. These are the most common reasons as observed by BIO advisers.

If your application is rejected or denied you might still be able to re-apply to USCIS before the end of your OPT EAD.

If you receive a Rejection or Denial (or Request for Evidence) notify BIO immediately, and ask for advice before your response. BIO sees many re-application denials which could have been avoided by consulting an adviser before response.
Mailing the I-765 OPT Application

Review the current filing address for the I-765 ON THE DATE OF MAILING at https://www.uscis.gov/i-765-addresses

1. Click on the Foreign Students section.
2. Find your eligibility category.
3. Choose the address based on your type of mailing: Either U.S. Postal Service or private courier (FedEx, UPS, DHL) Write the address EXACTLY as indicated on the webpage.

BIO recommends FedEx as a reliable option. If using US Postal Service, choose Express or Priority Mail option Be sure your mailing option includes tracking and guaranteed delivery.
I-797 Notice of Action

You should receive the notice by mail within 2-4 weeks after mailing the OPT application to USCIS.

- The I-797 is very important. If you lose the receipt, it may be very difficult to replace it.
- The I-797 is necessary if you want to:
  1) inquire about the status of your OPT STEM application.
  2) travel outside the U.S. while your OPT STEM is pending.

Receipt Number
The case number for the OPT application at USCIS. Check the status of the case on the USCIS web site at https://www.uscis.gov

Received Date
Date when USCIS begins processing the application. (It may not be the actual the application was received, but it is when the case was entered into the system.)

Address Information
Verify your name, date of birth, and address on the I-765 receipt notice. If incorrect, contact BIO immediately.

Contacting USCIS
If you have any problems or questions with the OPT application, contact a BIO advisor before calling the USCIS Customer Service.
USCIS Issues & Tracking Your Case

Sign up for an account at [https://www.uscis.gov](https://www.uscis.gov). This will allow you to receive automatic updates and monitor your case. Click “Check Your Case Status” and then select “Sign Up.”

**General Case Tracking:**
If you don’t sign up for an account, you can still track your case using the “Check Your Case Status” Tool.

**Address Changes:**
If your address changes, you can update it online through the “Change of Address” tool. Keep in mind that address changes can take 10 business days to process, and could jeopardize your OPT EAD delivery. We recommend keeping the same address for your entire OPT processing, if possible.
USCIS Issues: Case Inquiries & Expedites

Case Inquiries & Processing times:
You can submit inquiries and requests about your case using the Case Inquiry tool for these issues:

- If you don’t receive your receipt notice, EAD or other notifications
- If your case is pending longer than the normal processing time. See current USCIS processing times for Form “I-765” for “Potomac Service Center” here: https://egov.uscis.gov/processing-time/
- If there is an error on your receipt notice or EAD card

Expedites:
USCIS almost always denies F-1 student expedite requests for OPT. You can find expedite criteria here: https://www.uscis.gov/forms/how-make-expedite-request  USCIS may consider expediting if the request meets one or more of the following criteria:

- Severe financial loss to a company or person, if expedite is not due to applicant’s failure: (1) to file the benefit request in a reasonable time frame; or (2) to respond to any RFE in a timely manner;
- Urgent humanitarian reasons;
- Compelling U.S. Government interests (such as urgent cases for the Department of Defense or DHS, or other public safety or national security interests); or
- Clear USCIS error.

NOTE: 1) Severe financial loss to a company means the company would be at risk of failing. 2) The need to obtain employment authorization, standing alone, without evidence of other compelling factors, does not warrant expedited treatment.
Application Problems: RFE or Rejection/Denial

**RFE:** If there is a problem with your application, the USCIS may send you a notice by mail called a “Request for Evidence (RFE).” An RFE does not mean that your application has been rejected. It simply means that you need to send in additional documents before your EAD can be issued.

- Getting an RFE will delay the processing of your application.

**Rejection/Denial:** In some cases, if too many items are missing from your application, USCIS will return the entire application to you. If this happens, you must make the corrections and send the application before the end date of your 60-day grace period.

Contact BIO IMMEDIATELY if you receive a RFE, rejection, or denial.

To avoid delays, review your application materials for completeness and sign all the forms before mailing them to USCIS.
The Employment Authorization Document (EAD)

USCIS takes approximately 3-5 months for processing. The observed average processing time at USCIS is 90-120 days, but processing can take longer in some cases. See current USCIS processing times for Form "I-765" for "Potomac Service Center" here: https://egov.uscis.gov/processing-times

While waiting, keep these things in mind.

- Your F-1 status & employment authorization will be automatically extended for up to 180 days while your OPT STEM application is pending. You may work during this time.
- A change in employment will require a new BIO 24-Month STEM request AND a new I-983 with the new employer.
- You must work full time in your field of study while on your OPT STEM Extension
- You may accumulate up to 150 days of unemployment on OPT STEM inclusive of any time used during 12-month OPT.
- If you decide to return to school as a full-time student, you must request a transfer or a change of level from Berkeley International Office within 60 days of your EAD expiration
- Review card to make sure the information is accurate. If not, contact a BIO advisor.
- Present your EAD to employers as proof of your legal work authorization in the US.
- The EAD is a required document for entry to the U.S. during STEM OPT.
- Upload a copy of your EAD card at io.berkeley.edu/ssu
Driver License Applications & Renewal

- If your California Driver License has expired, you can only renew the license after your OPT EAD EAD has been approved.
- This is because your I-20 has expired, and without proof of the OPT approval (and continuing F-1 status) you won’t qualify to renew the license.
- If you live in a state other than California, check with the local DMV regarding requirements for renewal.
Avoiding Immigration Scams

• It is very rare for USCIS or SEVP to contact you via phone regarding your application or your SEVIS record. Most notices from SEVP Portal are sent by email, and most notices from USCIS are sent via mail. They will generally never ask you for money.

• See USCIS’s website on how to avoid immigration scams, report fraud, and find authorized legal services.

• You can report immigration scams by contacting the FTC. Please visit the USCIS Avoid Scams Initiative website to learn more about avoiding immigration scams and reporting fraud.
Step 6: Maintaining Your F-1 Status & STEM Reporting Requirements
Reporting Requirements

- Submit updates online at [io.berkeley.edu/ssu](http://io.berkeley.edu/ssu)
- You must report any changes to your employment, address, and/or name within 10 days.
- Complete 6 Month validation with BIO.
- Report Material Changes to your I-983 to BIO within 10 days.
- Annual Evaluation of Student Progress due at 12 and 24 Months

See [STEM Reporting Requirements](#) for instructions on how to submit updates, validations, and evaluations.
Reporting Your Information

While on OPT STEM, you must update the Berkeley International Office within 10 days of any changes to the following information:

- Your Name
- Your Residential Address
- Your Phone & Email Address
- Employer Name or Address
- Starting or Ending Employment
- Date of departure from the U.S. if you leave prior to OPT STEM end date and want to end your OPT.
- Change of status to another visa category

We recommend saving the website page showing your updated information.

In order to update your information, you will need your UC Berkeley Student ID # and SEVIS # (found on your I-20; starts with Noo...).
Reporting Requirements:
BIO SSU HUB (MANDATORY)

- ALL STUDENTS ON OPT/STEM ARE REQUIRED TO USE THE BIO SSU HUB TO SUBMIT OPT UPDATES. BIO SSU Hub is a BIO system.

- Submit updates online at io.berkeley.edu/ssu.

SEVP Portal (OPTIONAL)

- The Student Exchange Visitor Program (SEVP) has its own “SEVP Portal” for students on OPT/STEM. On day 1 of your approved OPT, you will receive an email from SEVP with instructions on how to create an account. This email will come from do-not-reply.sevp@ice.dhs.gov.

- Be aware of scams: SEVP will NEVER ask you for a payment to register for the optional SEVP Portal.

- Registration for SEVP Portal is OPTIONAL. BIO WILL NOT USE the SEVP Portal for OPT reporting purposes. BIO recommends using SEVP Portal as “view-only.”
Changing Employment While on STEM OPT Extension

If you change employers during your 24-month STEM OPT period, follow the instructions below. (If your STEM EAD has not yet been approved by USCIS, contact a BIO advisor for more information.)

Log into SSU and do the following:
1. Update your address/phone/email.
2. Add the new employer information and upload a new I-983 form for the new employer. You will choose the delivery method for your new I-20.
3. Edit your previous employer and add end date and upload the Final Evaluation I-983 page 5.
4. Upload a copy of your STEM EAD (if we don’t have it already).
Report Material Changes to Form I-983

Material changes may include, but are not limited to:

- Change in employer address or supervisor.
- Any change of the employer’s Employer Identification Number, (i.e., the company’s Federal Tax ID number) resulting from a change in the employer’s ownership or structure.
- Any reduction in your compensation that is not tied to a reduction in hours worked.
- Any significant decrease in hours per week that you engage in a STEM training opportunity.
- Changes to the employer’s commitments or your learning objectives as documented on the Form I-983.
- **Updated Material Changes via a revised I-983 needs to be submitted to BIO within 10 business days.**
6-Month Validation

- STEM OPT students must submit a validation report to BIO every six months starting from the date the 24-month extension begins and ending when the student’s F-1 status ends.
- 4 validations in total over 24-month OPT STEM Extension time.
- Your F-1 record may be terminated if you fail to report each 6 months.
- Check your STEM OPT start date and mark your calendar for each 6 month interval of your STEM Extension for your reporting deadlines. (Example: Your STEM Extension Starts January 1, 2017. You must submit 6 month validations on July 1, 2017, on January 1, 2018, on July 1 2018 and on Jan 1, 2019.)
- Be sure to check email reminders from BIO.
Annual Evaluation

• You must submit Form I-983 page 5 “Evaluation of Student Progress” to BIO each 12 months and/or any time you leave an employer.
• Your employer must review and sign the self evaluation to attest to the accuracy.
• Your F-1 record may be terminated if you fail to submit your evaluations.
• Check your STEM start date and mark your calendar for each 12 month interval of your STEM Extension for your reporting deadlines. (Example: Your STEM Extension Starts January 1, 2017. You must submit an annual evaluation January 1, 2018, and a final evaluation by January 1, 2019.)
• Be sure to check email reminders from BIO.
SSU Hub Reporting

- You can see your reporting deadlines in the SSU Hub.
- Validation Report links will become available during your reporting period.

### STEM Student Due Date Announcement

Hello, [student name]

Your STEM OPT Reporting Deadlines

While on STEM OPT, you must give your designated school official (DSO):

1. Validation reports to confirm that your address and employer information in SEVIS is correct. These are due every six months.
2. Two Evaluations of Student Progress (page 5 of the Form I-983). These are due:
   a. 12 months after your STEM OPT starts and
   b. 24 months after your STEM OPT starts.
3. Evaluation of Student Progress (page 5 of the Form I-983) when you stop working for a STEM employer before your STEM OPT authorization ends. These are due within 10 days after you stop working for the employer.

Your reporting deadlines:

Missing these deadlines may affect the status of your SEVIS record.

For more information, go to the STEM OPT Hub (https://studyinthestates.dhs.gov/stem-opt-hub) pages on the Study in the States website.
Important Information Regarding Travel

- Avoid long absences from the U.S. during the STEM OPT period. Time spent outside of the U.S. while unemployed by a U.S. employer counts toward your 150 days of unemployment.
- Attempting to re-enter the U.S. close to the expiration date of your OPT can be risky.
- You must not enter the U.S. in a status other than F-1. This may result in the loss of your OPT eligibility.

Travel While STEM OPT is Pending, But Before STEM OPT Card is Received

- There is a higher risk associated with travel and return while your STEM OPT is pending after the program completion date of your OPT EAD. If there are any problems with your application, you may not be able to respond to USCIS in a timely manner, which could delay processing of your EAD.
- If your STEM OPT application is denied while outside the U.S., and your original OPT EAD has expired, you will not be able to re-enter the U.S. in F-1 status and will not be able to reapply.
Applying for an F-1 Visa on STEM OPT

If you are traveling abroad and your F-1 visa has expired, you must obtain a new F-1 visa before returning to the U.S. When going to your visa interview, bring the documents below. For more information, visit: http://internationaloffice.berkeley.edu/visa_application.

1. Valid passport (at least 6 months in the future)
2. Valid STEM I-20 with travel endorsement from a Berkeley International Office advisor within the past 6 months
3. STEM EAD Card
4. Proof of current STEM OPT employment (employer should match employer info listed on the I-20)
5. Evidence of sufficient funds (e.g. a bank statement, a letter from a sponsor or a job offer letter)

Check the U.S. Department of State website for more information about getting a visa and specific requirements at the local embassy or consulate.
Completing OPT & Grace Period

- You have a 60 day grace period following the end of your STEM OPT EAD.
- The only additional extension of OPT available is the OPT Cap-Gap Extension, for students who have an accepted cap-subject H-1B application.
- Failure to exit, continue your F-1 status, or timely request a Cap-Gap Extension or USCIS Change of Status will result in accrual of days of unlawful presence.
- If you receive an extension of your OPT, the grace period will begin after the end of the extension period.

If you do not extend your STEM OPT via the H1-B Cap-Gap, and your EAD expires, you have the following options before the end of the 60 days grace period:

1. Exit the U.S. within 60 days.
2. **Continue your F-1 Status & Studies:** Transfer your I-20 to continue studies at another school OR request a Change of Educational Level to begin new studies at UC Berkeley.
3. Work with immigration legal counsel regarding a Change of Status application to a new visa category. You will need to check with your legal counsel regarding your allowed period of stay or required exit date if you have a pending change of status when your grace period ends.
Can I file for an H1-B and a STEM Extension at the same time?

Yes, but filing these applications concurrently can sometimes cause complications in your SEVIS record. You can apply for an STEM OPT Extension before your OPT EAD expires. If you are planning to file for an H-1B and STEM at the same time, you should submit your STEM OPT application on time, before the original 12 month EAD expires. You should also be mindful to take extra steps when filing for your STEM OPT Extension and continuing your F-1 status:

- Before requesting a STEM I-20, check with your employer and the legal counsel working on your H-1B and confirm that your employer recommends that you file STEM/H-1B concurrently at this time.
- When submitting your STEM OPT Extension, include the STEM/Cap-Gap Letter if a Cap-Gap appears on your OPT STEM I-20.
- If no Cap-Gap currently appears on your I-20, but your employer has filed for the H-1B and your OPT expires before 9/30, include the STEM/H1B Letter.
- Update BIO as soon as possible regarding any Withdrawal or Denial of your H-1B petition. These actions may have an impact on your SEVIS record, and a BIO adviser will need to review the record to see if any corrections need to be made.
- If your H-1B is approved, the STEM OPT Extension (or pending STEM OPT Extension) will end on the date your H-1B becomes effective. Report the end of your OPT via the SSU Hub. Select “Report Early OPT/Academic Training Completion” and provide your I-797 Approval Notice From USCIS. Your F-1 record will be completed after the effective date of your H-1B.
H-1B and STEM Extension

My employer filed for my H-1B and the petition has been approved. Should I file for the STEM OPT Extension if my H-1B is already approved for Oct. 1?

You may not need a STEM OPT Extension if your OPT is ending, and your H-1B has already been approved. If this is your situation, check with a BIO adviser before submitting your STEM OPT Extension request. An adviser will need to review your record and H-1B approval notice. An adviser will determine whether a STEM OPT Extension or Cap-Gap I-20 is better for you.

Before contacting a BIO adviser, make sure that you have 1) uploaded a copy of your OPT EAD card to the SSU Hub and 2) have your H-1B I-797 Approval Notice From USCIS.
What is considered full-time employment on the 24-month OPT STEM Extension? Students must work at least 20 hours per week for an E-Verify employer in a position directly related to the STEM degree, following the goals and objectives stated in the I-983 training plan. All employers must be authorized on the I-20 and in SEVIS.

I have two part-time jobs. One of the employers is enrolled in E-Verify but the other is not. Is this allowed? No, only full-time employment is allowed at your STEM-eligible E-Verify registered employer.

How many days of unemployment am I allowed while on the 24-month STEM OPT Extension? Students who receive a 24-month OPT STEM extension are given an additional 60 days of unemployment for a total of 150 days over their entire post-completion OPT period.

What counts as unemployment? Each day during the period when OPT authorization begins and ends that the student does not have qualifying employment counts as a day of unemployment.

Can I continue to work while my 24-month STEM OPT Extension is pending? If a student’s EAD expires while the STEM Extension application is pending with USCIS, the student is authorized to work until USCIS makes a decision about the application, but not more than 180 days from the date the student’s initial OPT EAD expires.

What documents should I present to my employer once my 12-month OPT expires and my STEM OPT is pending? The student should present the employer with the expired EAD card, the form I-20 recommending the student for STEM OPT Extension, and proof of the timely filing with USCIS (STEM OPT I-797 receipt notice).

Can I change STEM employers after my STEM EAD is approved? Yes, see our OPT Reporting page for instructions on submitting a request to change employers. You should not start working before receiving authorization for the new employer.

Can I switch employers while my STEM OPT application is pending? Yes, but we do NOT recommend this. We recommend changing employers after the EAD is approved, if possible. Please contact BIO for instructions regarding how to change employers while your application is pending.

**Can I travel outside the U.S. while my 24-month STEM Extension OPT is pending?**

Yes*, travel while your OPT STEM application is pending is possible if you have a valid F-1 visa and STEM I-20 signed within the past 6 months. You should travel with a copy of your I-797 receipt notice and proof of your STEM employment. See the [OPT Travel page](#) for required documents.

*If your employer has filed for an H-1B for you, please discuss your travel plans with your BIO adviser and with the legal counsel working on the H-1B request. BIO advisers can advise on travel as an F-1, but we cannot advise on how the travel might impact your H-1B application.

**What documents do I need to re-enter the U.S with approved STEM OPT?**
